

Here's what to do in Year of the Child

Here are some suggestions for projects during IYC—International Year of the Child, 1979.

1. Become a Block parent.
2. Invite a guest speaker to your club, organization or Home and School Association to talk about positive parenting, education, day care, handicapped children, children with

special needs or any area pertaining to children that would be of benefit to your members.
3. Contact your local Children's Aid, "Y", Big Brothers or Little Sister Association or other voluntary organization regarding volunteer work.
4. Contact your local Children's Aid with regard to becoming a

foster parent.
5. Make a personal commitment to your own children, grandchildren, nephews, nieces to set aside extra time in 1979 for an educational or recreational experience, e.g. trips to zoo, museum, conservation area or art gallery; camping or sporting events.
6. Construct a special children's recreation

area in a local park or school yard.
7. Develop a children's theatre group.
8. Hold an art, music or drama festival for and by children.
9. Set up a system of volunteers to help teachers in the classrooms or on field trips.

10. Plan sports or game events.
11. Develop a family project which involves your children's creative talents, e.g. build a playhouse, set up a greenhouse, make your own greeting cards, start an aquarium, learn to sail, camp, explore nature, start a vegetable or

flower garden.
12. Offer to babysit for a single parent family.
13. Is there a latch-key child on your block? Arrange lunch or after school supervision for children of working parents.
14. Drop in on a new mother to see if she needs any assistance or even

just some reassuring talk.
15. Hire young people for home maintenance jobs.
16. Start a young people's program at your place of worship.
17. Prepare a booklet listing the community resources available to assist children
