

HAYING SEASON is here and farmers like Stu McFadden are busy getting the crop baled and stored away.

HOLDING the grand champion female of the Guernsey cattle show Saturday is Rob Forester, 12, of RR 2 Linden. Rob led the cow for the parade in front of the grandstand at the conclusion of the day's cattle judging.

Farm

GROOMING even requires hair cutting, as Jack Proud readies a cow for the Holstein show judging at Milton Fair.

Wingrove winner

M. D. Wingrove of Campbellville won both premier breeder and premier exhibitor honors at the Wentworth County Holstein Show on Sept. 22. Wingrove entries included the male, junior and senior female champions plus first prize two- and three-year-olds, dry cow and breeder's herd. Allan A. Elliott, also of Campbellville, showed the top bull yearling, Jeff Nurse, Georgetown, was judge for the Western Ontario Breeders Dairy Showmanship class. Steve Wingrove was first in the junior class.

Teachers transfer to schools in area

Transfers and appointments for the north area were granted by Halton Board of Education at their meeting Thursday evening. Effective September 1, Jo-Anne Hansen transferred from Brookville to W.I. Dick in Milton. Also transferred to W.I. Dick from Brookdale is Mrs. Reta McLaughlin. Mr. Lynn Shantz, formerly a teacher at George Kennedy in Georgetown, transferred September 1 to Glen Williams public school. Appointed September 1 to the Sheridan Youth centre, which is attached to W.I. Dick, is Martin Dykstra and Rona Ann Pottens. Valerie Jordan was appointed September 18 to PW Merry, Patricia Lewington to Martin Street, September 14 and Donald Suthers to W.I. Dick, September 17. Georgetown appointments are Mary Kebalo at Stewarttown school, effective September 1, Judith Luker George Kennedy school September 13. Michael Morgan was appointed to General Brock, September 1.

C.N.I.B.

Dear Citizens:

1979 is the International Year of the Child. During this year, The Canadian National Institute for the Blind is placing special emphasis on developing the interests of blind children and their parents, and ensuring that they receive every opportunity for a bright future.

The CNIB offers adjustment to blindness courses, rehabilitation programmes, guidance, counselling and a variety of support services to help visually impaired youngsters get a proper education in a normal environment. Other programmes help develop the skills needed to find employment in the field of the individual's choice.

Such services are costly, as is ongoing research to help prevent blindness. We need your financial support to keep our endeavors going and to expand them as needed. Please help us help visually impaired youngsters to a bright and productive future.

The Milton area campaign is from October 1, 1979 to October 6, 1979. Please send any donations to CNIB, c/o Nick Gauthier, Scotia Bank, 244 Main St., Milton.

Sincerely yours,
Pete McCuaig
1979 Campaign Chairman

Nancy is runner-up

Halton's Queen of the Furrow for 1979, Nancy McKinnon of Milton came out second-best in the Ontario Queen of the Furrow competition at the International Plowing Match near Chatham Friday. Judges named her first runner-up to eventual winner Peggy Kniesz, representing Perth County. If Miss Kniesz is unable to fulfill her role as queen for the next year, Nancy will be called on to take over. It was Nancy's second year in the contest, representing Halton. She's now a third year student at University of Guelph. She won \$100 cash, a silver bracelet

and other gifts. There were 26 girls in the contest. All the entrants were asked to demonstrate their ability with a plow, and give a speech. All spent three days at the plow. The first in the series of informal lectures is based upon the conviction that the world had been rocked by the impact of an event which occurs only once in every 600 to 1,000 years; an event that disrupts and radically reorganizes the way we see ourselves and the world around us. The first in the series

Among those competing in the annual plowing match was Murray Breckon of Halton Hills who had a first on Tuesday, a third on Wednesday, a third on Thursday, and a fourth on Friday.

Few fires

Milton Fire Department had only two minor fire calls this week. One was a call to an accident at Main and Ontario St., the other was a minor stove fire in Campbellville.

Correction

The telephone number in last week's story pertaining to the chicken catcher is 878-2215, and not 878-2155, as was incorrectly stated. The evening is held Sept. 26 at 8. Each subsequent talk will be on the last Wednesday of each month until March (except December). The evenings are free of charge and open to all.

Baha'is hold talk

The Baha'i community of Milton is holding a series of monthly talks at the Milton library. The talks will be centred around ways in which people can adapt to the rapidly changing family and social relationships which are so traumatically affecting us all today.
