Steam buffs honor ladies, trophy winners

It was "ladies' night out" Friday for about 300 members and friends of Ontario Steam and Antique Preservers Association at the Optimist Centre in Milton, as the "men who love steam" treated their wives to a dinner and dance. The annual event is held to express appreciation to the "long-suffering" wives of Steam-Era hobbyists.

Sherwood Hume of Milton arranged Friday's night out, complete with a sit-down dinner, entertainment, dancing and free door and spot prizes donated by merchants and club members. President Don Partrick of Bramalea presided and welcomed the guests. Ray Death proposed the toast to the ladies and Dorothy Botterill responded.

Julian Reed, Halton-Burlington MPP, brought greetings from the province and played his banjo and sang, accompanied by his son Chris. Also speaking were Bob Carbert, general manager of the Ontario Agricultural Museum in Milton, and Nancy McKinnon, Halton's Queen of the Furrow for 1979 who invited all to the Halton Plowing Match the next day and Mayor Don Gordon.

Also honored were those who had won plaques for restoration work or contributions to the success of the 1979 show.

Al Byers presented threshing contest plaques to Jim Tomlinson, Jim Forbes, Neil Tomlinson, Ken Tomlinson, Reg Coulson and Bob Bell of the Caledonia club.

The trophy for junior achievement was presented by Roy Downs and Jo-Anne Clements to Cheryl Matejcic, in memory of their late father Emerson Downs.

The Dave Rogers Memorial Trophy for the largest contribution to the club's activities was presented to Allan Byers, by the late Mr. Rogers' daughter Betty Ann Westead.

YBA IS COMING! Youth Basketball Association YBA
For Boys and Girls 8 to 15 years
Just sign up - no tryouts
YBA basketball - the game that attracted more than 100,000 youngsters nationwide in the 1979 winter season will be offered for the first time in Milton this November 1979.
The concept of "fair play" basketball in which every boy or girl plays was developed jointly by the National YMCA and the NBA Players' Association. YBA teams are composed of nine players and each member must play a specified amount of time. Players wear a snappy YBA T-shirt and also receive a Player's Manual and YBA Player Certificate.
YBA Needs Adult Volunteers
YBA is a very special YMCA program, not only for boys and girls, but for you too. It allows you to participate; in fact, it urges you to participate. The aim of YBA is to help boys and girls learn values. YBA helps boys and girls build confidence in and respect for themselves... and for opponents, coaches, and other adults as well.

Your role as a volunteer is to help players by encouraging and giving credit for self-improvement, and to share in YBA events with the children. The YMCA will be offering training and materials.

If you agree that YBA is the kind of activity you'd like for your kids call the 'Y' at 878-8711. And while you're at it pick out a YBA job you'd like to volunteer for and let us know about that, too.

YBA Flyers will be distributed through the schools in November. To be put on our mailing list call the Y at 878-8711.
