

FAIRY TALE TIME was a popular activity at the high school Wednesday when the Milton Family of Schools co-operated on a salute to International Year of the Child. Carolynne Lerner reads a favorite

COOKIE MONSTER was on hand to add a little humor to the musical show at the Family of Schools' salute to IYC on Wednesday. While the MDHS singers sang out, Cookie danced with the group's conductor Judy Hunter. Chuck Roscoe was inside the furry suit.

THE MAGIC BOX at the International Year of the Child night at the high school Wednesday amused youngsters. For a dime, they could get a musician to play their favorite tune.

Hi School Happ'nings

One busy week!

By Kelly Middleton and Patti Turner
Last week was a busy week at MDHS, with major events happening Wednesday, Thursday and Friday.
The Year of the Child ceremonies were very successful, and Scarlet Fever (MDHA's rock band) surprised all by switching conductors. As opposed to having Mr. Walker, they had Elton Bohn. Elton Bohn came complete with long wig, a 17th century costume and tossed the scores over his shoulder at the end of each number.
On Thursday, the SAA successfully hosted a Masquerade Dance with a surprising number of students dressing up. Both functions were well attended, and much thanks to all involved.

GRAD DAY
Last week, on Friday, the Guidance Department of MDHS invited some of last year's grads to come back to the school and discuss university and college life. The seminars provided much insight (such as co-op programs, tuition fees, majors, etc.) into university life, and were represented with a wide range of universities and colleges (ranging from Windsor to Lakehead to McGill).

MORE FOOD FOOD FOOD
This week on Tues. Oct. 30 another fattening Bake Sale will be held. This time, we will be tempted with the goods produced by the cheerleaders. The money will go towards new uniforms.

PEEL HALTONS AT KELSEO
On Wednesday, Oct. 24, the Mustangs cross-country team travelled to Kelseo to compete against 35 other schools in the Peel Halton Cross Country Championships. Our team ran very well, despite the strong winds and snow flurries.

Our midget girls set a school record, in placing second overall and qualifying for OFSAA. Outstanding individual performances were made by Denise

Worth (8th) Lynda Wingfield (18th), and Lynn Copeland (19th).

The junior girls placed 9th overall and the senior girls finished 7th. For the senior girls, Toni Chambers put forth super human efforts, and finished 9th individually, missing going to OFSAA by just one point.

In the boys' category, the midgets placed 12th overall, and the juniors ran a strong 3rd.

The senior boys also ran excellently, but missed going to OFSAA as a team, by a mere 7 points. Individually, Roy Polomi (4th) and John Phelps (6th), will be going. Congratulations are also extended to Mike Bayton who finished in 10th place, and missed going to OFSAA by one point.

Good luck to the midget girls and the senior boys at OFSAA, and congratulations to team members and coaches for an excellent cross-country season.

COMMENCEMENT
On Friday Oct. 26, Commencement ceremonies for the school year 1978-79 took place. Last year's graduates, resplendent in suits and dresses, received their diplomas and trophies. This year's valedictorian was Garth Essery, with an introduction given by Vance Yeomans. Special mention goes to Mr. Horner for his inspiring speeches while giving out geography awards, and to the Senior Concert Band, for its excellent performance.

WEEKLY UPDATE
From Wednesday, Oct. 31 to Friday Nov. 2, grad pictures for this year's grade 12 and 13 students, will be taken. The packages are \$7 each.

This is the final week for Citrus sales by the Senior Concert Band. The large boxes of sweet juicy oranges or grapefruit are \$8 each and the delivery dates are set at the end of November.
