

Game and Fish News

with ARN COULSON

The coho salmon run was late this year but the spawning run of these silvery beauties up 12-Mile Creek was excellent.

Full catches were being made using roe, marshmallows, silver spoons and even pork rind with most of the fish being taken with roe in a small sack.

So far, there has been no public outcry about trespassing fishermen. Let's hope it stays this way.

It was with regret we heard of the tragic chemical spill into the Ganaraska River at Port Hope, Ont. A few fishermen are upset about the spill and hope adequate fines are levied against the offenders.

We also hope the Campbellville man caught red-handed dumping toxic material into a ditch will be charged with the clean-up bill instead of a slight slap on the wrist.

Laverne Blacklock sure hopes the Ganaraska River returns to normal soon. He caught a beautiful 16-lb. rainbow trout there a short time ago.

Milton sportsman and well-known hunter Bev Reynolds learned a lesson this year which cost him his moose.

The lesson is once you have picked your stand, don't leave it.

Bad weather forced Bev to leave his stand for a while and you guessed it, while Bev was gone, an observer saw a large bull moose walk within a few yards of the spot Bev was standing.

Ben Anderchek and his three sons returned to his hometown of Round Lake Centre near Killalea and all returned with a full count of deer.

The Halton Sportsmen's Association held elections last week and a full slate of officers were elected for 1980.

The slate is as follows: President, Delmar Coulson of Kilbride; Vice-president, Jimmie Coulson of Lowville; Past president, Al Campbell; Secretary, Al Gowing. Assistant Secretary, Jim Pearson; Treasurer, Bob Wells; Bar chairman, Ron Marshall; Building chairman, Lorne Lyons; Entertainment chairman, Bud Chester; Fishing chairman, Jim Smith; Fund-raising chairman, Don Marshall. Gun chairman, Dick Tuck; Horseshoe and shuleboard, Joe Marshall; Hunting chairman, Rick Mairs; OFAH, Maurice Coulson; Public relations, Ted Moore; Sick and benevolent, Jack Pearson; Wildlife chairman, Doug Jones.

The Halton Sportsmen's Club annual Turkey Shoot was held a week ago Saturday at the club-house. A total of 78 turkeys were won by contestants. Brian Mortimer would like to thank all those who made the shoot a success.

Among the 78 winners were George Brekon of Bronte, Jimmie Coulson, Brian Mortimer, Don Whyatt of Hamilton, Harry Maricini of Hamilton, Bill Mountain, Diane Pearson, Don Kearney, Jim Smith, Ron Marshall. Al Campbell and son Robbie, Bill Finnigan, Dave Tuck, Larry Gillbert, Vic Tomlinson, Sherman Talbot, Ted Lyle, Buck Lewis and more.

All other turkey shots in the area have raised their prices to \$1.50 and \$2 per chance. The HSA executive decided to go to a Grade 4 utility bird to keep their prices to \$1 per chance. We hope members understand and bear with the HSA in its efforts to keep prices down.

Members of our club send sincere sympathy to the family of the late Irwin Sheppard whose untimely death shocked us all.

'Shep', as he was known to his fellow sportsmen, was an ardent outdoorsman and a well-known trap shooter from the Appleby club. We will all miss him.

Best wishes go out from friends to Norm Richardson who just returned from the hospital. We are sure all the boys from your parent club, Appleby, will be rooting for you as we are.

Don't forget the Appleby Gun Club's big Christmas Turkey Shoot on Boxing Day at their clubhouse on Walker's Line.

I would like to take this opportunity to wish my readers and fellow sportsmen a very Merry Christmas and a prosperous New Year and to thank those who have phoned in reports to me about outdoor events, fish caught, etc. May the fish you catch next year make the fish you caught last year look like minnows.

Breakaway marker gives Aggies win

Rick Champoux scored the winning goal on a breakaway to give Milton Dufferin Aggregates minor midgets a 2-1 win over Guelph in Tri-county hockey action Monday night at Memorial Arena.

Kirk Moreau caught the Guelph defence napping as he lifted a pass past two defenders onto Champoux's stick who raced in alone from centre ice and scored with a high shot as the goalie hit the ice.

Neither team employed much in the way of positional hockey.

At first, Guelph sent a floater out beyond the blue line but the attempt didn't warrant any good scoring opportunities.

Milton countered with the same strategy later

in the game which directly contributed to the winning goal.

After Guelph had taken a 1-0 lead, the line of Tom Houston, Moreau and Champoux tied the score with a minute left in the opening period. Moreau found the range with assists to each of his linemates.

Champoux then hit for the winning goal with 4:07 to play in the middle frame. Both teams had good scoring chances in the third period although neither was able to capitalize.

The Aggies have completed their schedule to the Christmas break and now ready themselves for the Beaver tourney next week at Memorial Arena.

Figure skating run-off results

Junior Bronze dances—Ken Fox, Alison

Aeros win 2-1...

(Continued from Page B1)

maintaining a consistent attack and Aeros held on to win. Against Rockton, Real McCoys built up a 6-3 second-period lead and then held on the rest of the way to get the victory.

Aeros pressed in the third period with a spirited effort but the rally fell short by one. Milton's goals were scored by Barry Mussleman, Pete Chuchmach, Bill McGilloway, Ray Evans and Penwarden.

Rockets scored three quick goals in the final period to give Ayr the win Tuesday. Both teams traded single goals in the opening period and after a scoreless middle frame, Ayr jumped ahead 4-1 with three by the midway point of the final period.

Merry and Seeds fired Aeros' goals. Arrows: Aeros now have a two-week lay-off which will allow the rest of the teams in the league to catch up in the games-played department.

The leading scorer in the league last year, Dave Heinbuck has joined Ayr. He played with Paris last season but an illness kept him out of action for much of this year. Paris didn't want him back and after a brief stay in Rockton, Heinbuck signed with Rockets and played his first game last week.

Rockton won the battle for first place Monday night beating Paris 29ers 4-1 right in Paris.

Aeros next game is Thursday Jan. 3 in Rockton. A game scheduled for this Friday in Plattsville was postponed to Feb. 13.

Dart league results

The Milton Industrial Dart League meets each Monday night at 8 p.m. at the Royal Canadian Legion.

There are six teams of five men each. Spirit and tension are starting to mount as prizes are awarded every year on Awards Night which is followed by a dance.

Prizes and trophies are awarded for team winners, high score, high start and high finish.

President Bill Thompson is working on Saturday afternoon events such as mixed draw doubles, draw

doubles and fun afternoons with prizes.

The Ladies Dart League also meets Mondays at 8 p.m. President Bev McNeil says the league is progressing well and ready to challenge the men.
