## Dump Georgetown, now on to Owen Sound

**NORTH AMERICA'S** winningest harness driver is Rockwood's Ron Waples. Waples (right) was presented with the outstanding achievement award by the Ontario Harness Horsemen's Association for his success in 1979. Presenting the award is OHHA president Cliff Sheppard, of Milton, at the association's annual meeting recently.

It's off to Owen Sound for Milton's Dufferin Aggregates minor-midget squad, after the club successfully dumped Georgetown from OMHA contention in two straight games. Milton had won the opener in a 2-1 victory last week, and Saturday in Georgetown clinched the series with a 3-2 squeaker. The teams were tied 2-2 going into the third period but sharpshooter Paul Benton tallied the winner, a slap shot from the circle while Milton was shorthanded with 6:19 to go.

Georgetown had use of foul language. Milton clocked 26 minutes in the sin bin. Aggies now meet Owen Sound, with the first game up north this Saturday night. Return match is in Milton Memorial Sunday at 3:30 and the site of the third in the best-of-five series will be decided by a toss of the coin. Observers report it was a fast, end-to-end game marred by a lot of penalties as the referees called every infraction, no matter how minor. Georgetown picked up 30 minutes in penalties and two unsportsmanlike conduct penalties for the

**Blizzard stars here** Soccer stars Colin Franks and Cliff Calvert from Toronto Blizzard will be arriving in Milton on Saturday. Through the perserving work of Cheryl Wakely, the head of the Ladies Auxiliary of the Milton Youth Soccer Club, the pair of Blizzard will be attending Milton Mill beginning at 1 p.m. to give demonstrations and sign autographs for aspiring soccer players in town.

## Off to tourney

Milton Novice Sockets failed to maintain consistent hockey during their last scheduled game and lost 5-2 to Streetsville. Milton will start play-offs in the next week.

The Sockets will travel to Bolton this coming Saturday and partake in the Bolton Kinsmen Annual Tournament with Bolton hosting Milton in the first game at 9 a.m. Good luck. Hopefully they will come home with the championship trophy.

## It took them six games to polish off Georgetown

Milton Docs and Dents Minor Atoms were extended to a sixth game in a best-of-five series, but hung on to defeat Georgetown in a thrilling series. The series was tied at one game each coming into the week's play. The third game in Milton last Tuesday resulted in a 1-0 win for Milton on a second-period goal by Paul Allen with assists to Matt McCandless and Adam Mead. The fourth game in Georgetown Thursday saw the game end in a 2-2 tie after 10 minutes of overtime. Pat McCarthy scored twice for Georgetown with Milton goals from Bryan Haringa and Adam Mead. Assists went to Jason Bahnmann and Danny Brown. Goal scorers are not available from the fifth game Saturday, won by Georgetown 5-3. Milton regained the lead on Adam Mead's goal, but two Georgetown

## Rink-length rush

Georgetown was eliminated in two straight games as Milton Optimist minor peewees headed out in quest of an OMHA crown. Ahead one game in the best of three series, Optis eliminated Georgetown 4-2 in overtime Tuesday. The Milton squad had earlier blanked Georgetown 7-0. Coach Bob Davidson reports the game was slowed down with an excessive number of minor penalties. Georgetown was assessed 15 minors, Milton nine, in a game called extra close by the referees. Milton opened the scoring with a powerplay goal by Sean Davidson early in the second period. Todd Horne and Lee Johnson had assists. Georgetown tied it up late in the second, and the score remained tied until the overtime session, when four more goals were registered — three for Milton and one for the home towners. Danny Kent blinked the light with a slap shot from the blue line for Georgetown's final effort. Then Milton roared back with two goals in 47 seconds, off the sticks of Steve Scannell and Sean Davidson to take the lead for good. Darren Shaw, with just over a minute remaining, iced the game for Optis with a daring, rink-length rush resulting in the fourth Milton goal. Steve Heagle played outstandingly well in goal and was supported by an outstanding team effort. Milton now advances to the next round of OMHA playoffs against Owen Sound. Dates have yet to be set. Meanwhile, they sharpened up at the Stayner Peewee Hockey Tournament on the weekend, winning all four games and winning the championship in a final game against Peterborough. The Optimists ended up winning the close encounter by a 2-1 score.

## Overtime thriller not enough for atoms

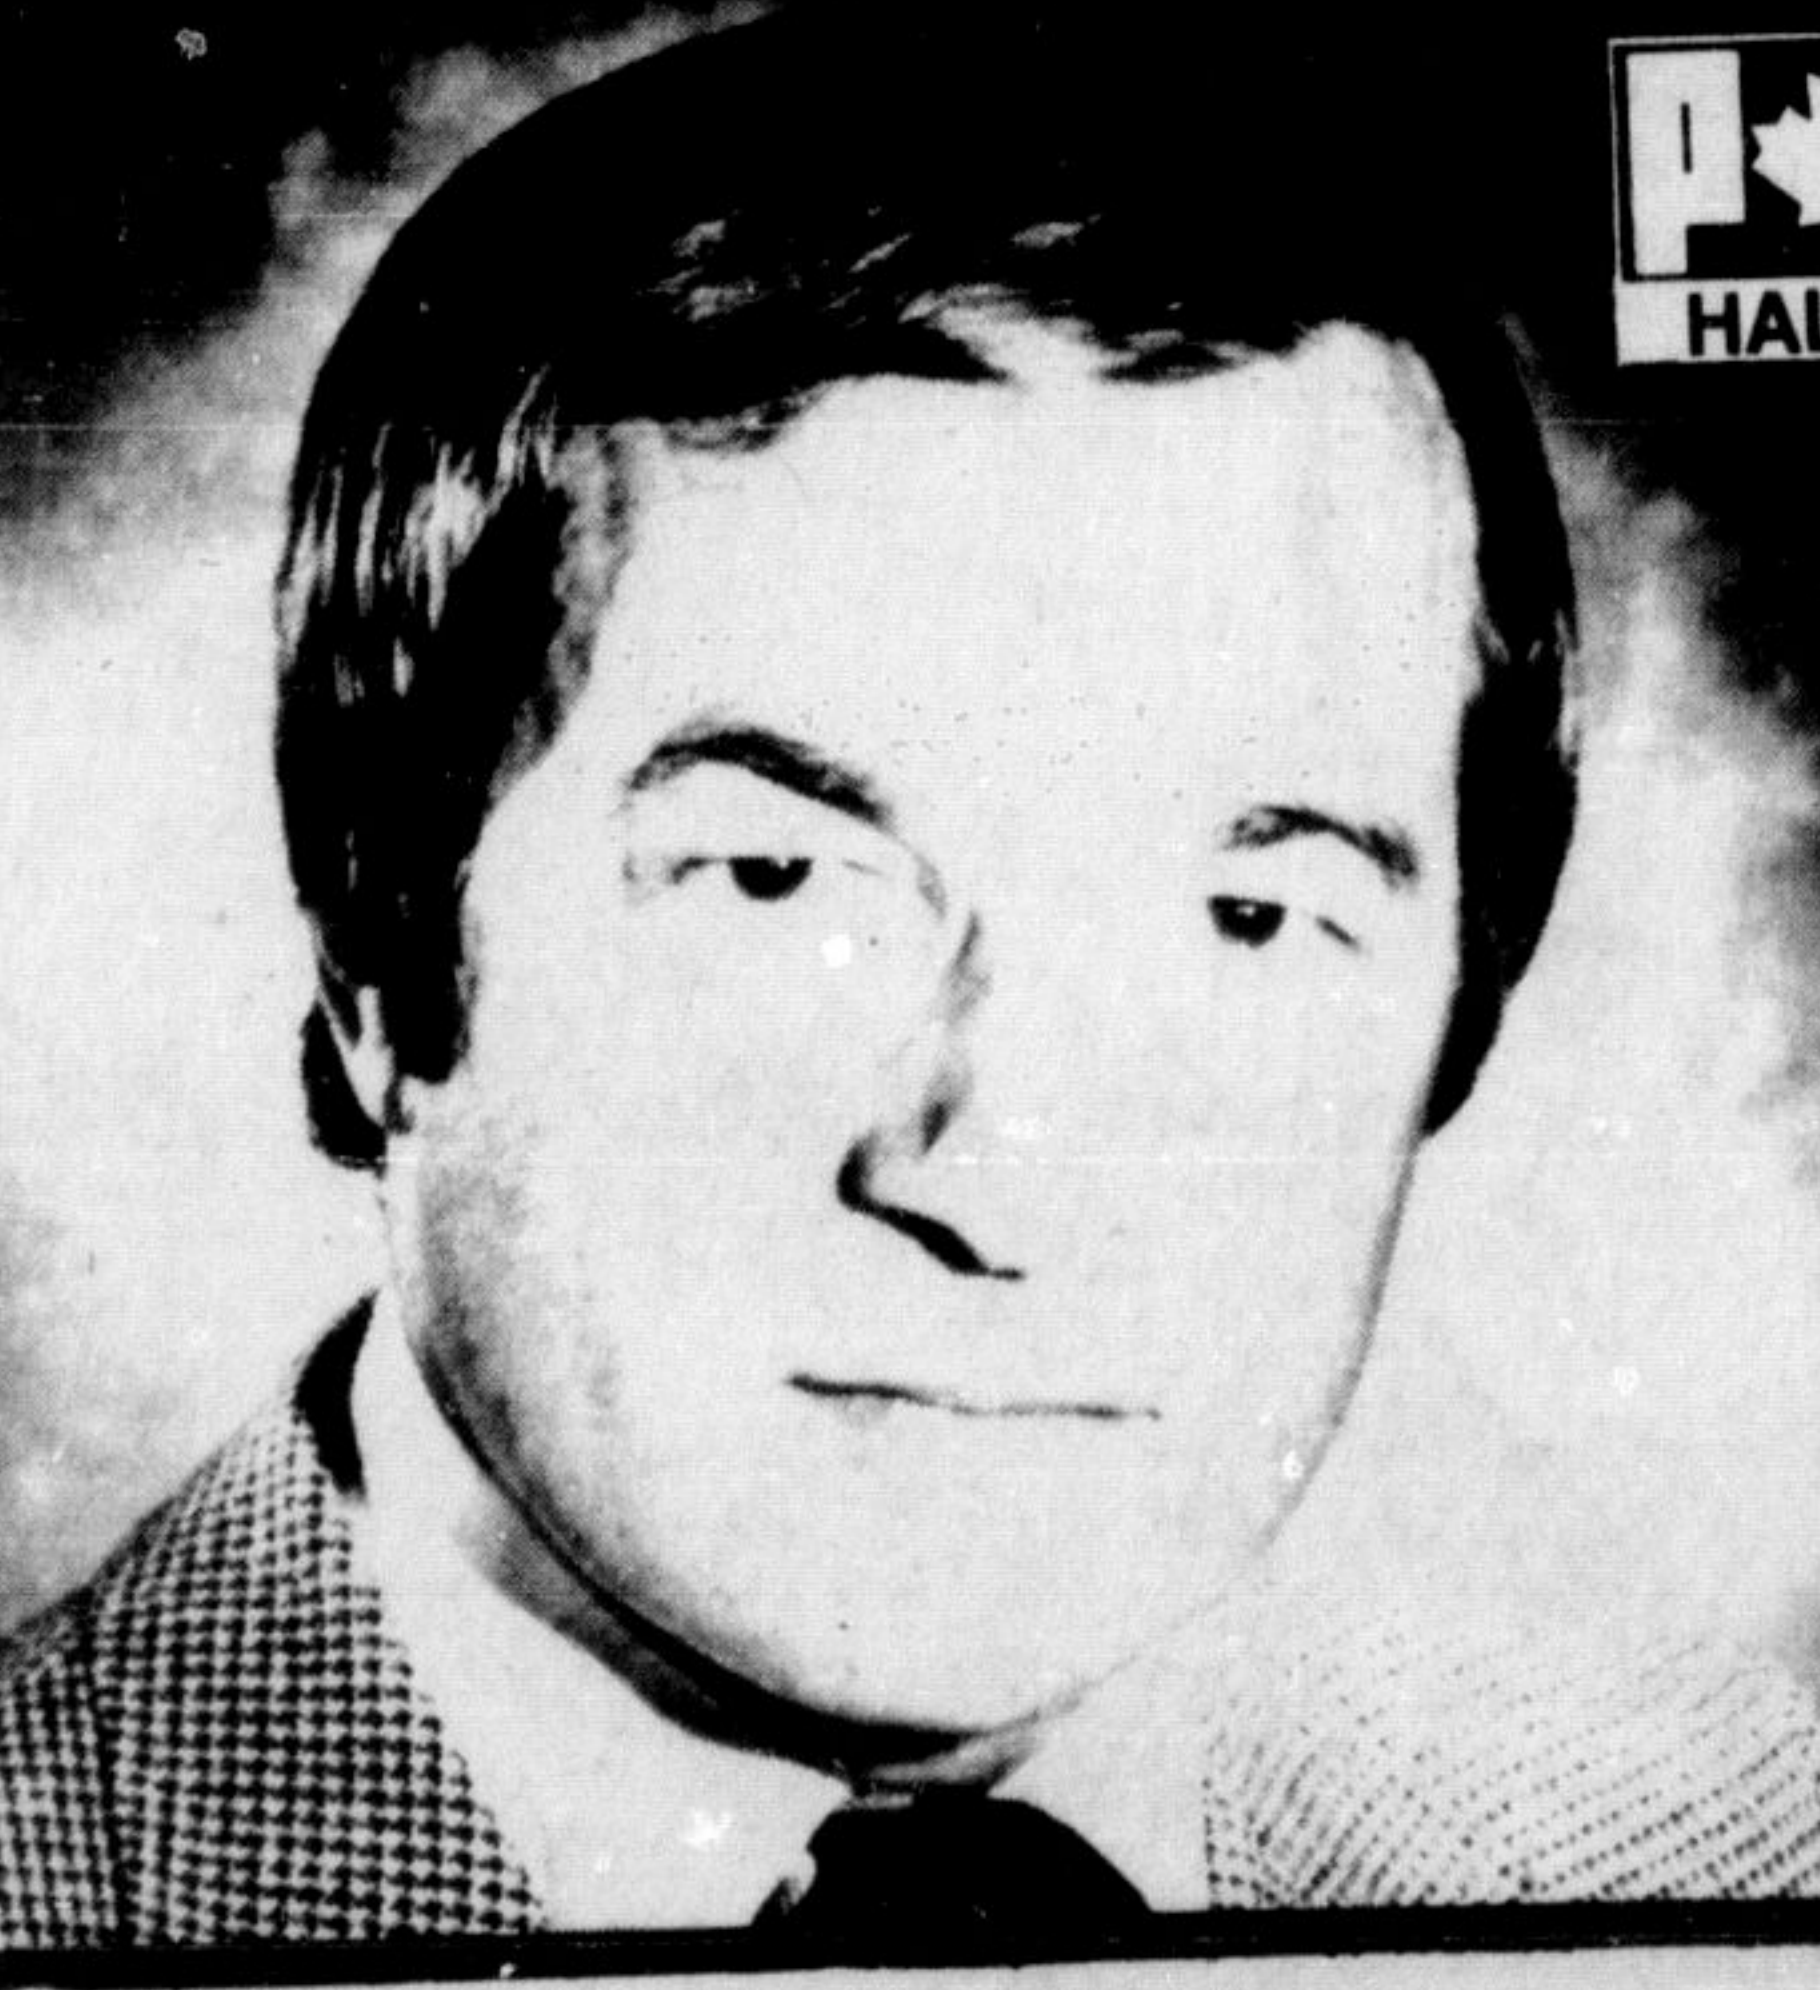

An overtime victory in Georgetown which evened Milton Legion major atoms' series at 1-1 was a big thrill for the club, but they lost the third game Thursday and dropped out of OMHA play. Atoms are relegated to Tri-County playoffs now and it hasn't been decided who they'll meet, so the club is inactive this week. There are 11 teams in the division and Milton's next opposition has yet to be named. Atoms had lost their opener in a 4-3 squeaker last Monday in Milton. Playing catch-up hockey throughout, the Legionnaires pulled off a 3-2 overtime win in Georgetown Tuesday. The host club had shown it meant business with a quick goal, 31 seconds after the opening faceoff. Scott Hilson was set up by Stuart Thorne for the equalizer in the second, but Georgetown went ahead again. Hilson from Thorne tied it up again at 8:02 of the third but the Milton crew couldn't cash in with a go-ahead goal. The overtime session was three and a half minutes from ending when Jason Newby and Travis Cole set up Geoff Pollen for the winner. Thursday in Georgetown, the home club used its smaller ice surface to advantage, outchecking all the Milton shooters and romping to a 5-1 win. Milton's only tally was a
