ONE STOP FOR ALL YOUR HOME IMPROVEMENT NEEDS

Luxaclad

The Do-It-Yourself Home Face Lift

Prefinished aluminum siding, undereave soffit, eavestrough and shutters "anyone can" apply.

Luxaclad* always looks like it was installed by a pro.

Because Luxaclad siding was designed especially for the do-it-yourselfer, it allows a wide margin for error and still looks like a million. No nails showing, it's always straight and perfectly aligned thanks to the interlocking feature, it cuts neatly with the simplest tools and the joints are hidden by our exclusive joint mould.
