**Send planners to the NEC — Johnson**

Halton should send its planner and the four municipal planners to attend hearings into the Proposed Plan for the Niagara Escarpment, according to Councillor Bill Johnson.

The Region has recently sent its comments to the Niagara Escarpment Commission hearings on the plan which would cover almost 2,000 square miles of Ontario, and which is expected to take one year to complete.

While the Region is in support of most of the recommendations of the NEC Plan there are some points of divergence
