

Diving for the ball: House league soccer action began last week with a full slate of games in the Milton Youth Soccer League. Here several atom players chase after a loose ball.

**Tie after opening loss**

**G & M battle back**

Mixed fortunes best describe the play of Milton Glass and Mirror minor mosquito soccer reps in action last week.

The squad emerged with a draw and a loss in its first two league games after finishing the exhibition schedule with a win.

In the season opener, Streetsville downed Milton 4-1 which Milton followed up with a well-earned 3-3 draw with Mississauga South. In the last pre-season game, Milton won easily defeating Acton 9-2.

In the Streetsville contest, Milton drew first blood when Mark Griffin finished a nice play with a drive into the goal.

Milton lapsed for about 20 minutes at the start of the second half and Streetsville took advantage to rack up the win.

In the second league game, Milton pounded Mississauga and controlled more than three-quarters of the play in the first half. Two goals by Paul Starkiss allowed Milton to enter the second half with a 2-0

lead. Milton relapsed at the start of the second half and Mississauga jumped into a 3-2 lead.

**Hinton fires four in Pop Shoppe win**

John Hinton scored four goals to pace Milton Pop Shoppe to a 5-1 win over Acton in a Peel-Halton major peewee soccer match Saturday in Acton.

On each goal, Hinton collected good passes from mid-field and darted down the left wing to score.

Paul Fay opened the scoring for Milton booting home a drive from inside the 18-yard mark.

Coach Charlie Cropper said he was impressed with his squad's improved defensive and mid-field play. The Milton defence of Paul Judkins, Mike Belvedere and Chris Cormier were particularly effective as was netminder Kevin Judkins.

Griffin just missed the mark but Griffin redeemed himself by scoring the equalizer off a corner kick.

In the exhibition contest, Milton's Grant Meredith played like a brick wall on defence. He found time to score the goal of the game, outpacing three Acton defenders and hammering a fierce shot into the right-hand corner of the net.

The other Milton goals were scored by Geoff Pollen, Griffin and Starkiss with two apiece and singles to Bernard Urban and Keith Newell.

**Squirts fall in opening game**

An inexperienced but game group of Milton squirt rep soccer players put up a gallant effort in the opening game of the season, falling to a strong Burlington side 2-0 Saturday at Brian Best Park.

It was the first rep game for almost all Milton players and the experience of Burlington showed as the visitors controlled most of the

play. The lack of players has Milton coach Ed McCreedy somewhat concerned and he'd like to get hold of any players eight years old for try-

outs. His phone number is 878-1816.

Although the play was mostly in Milton's end of the field throughout the game, Milton's James Green had a great opportunity to put Milton ahead 1-0 when he outraced several Burlington defenders and narrowly missed on a breakaway but his shot was stopped by the goalkeeper.

Milton went back into action Monday night and lost 4-1 in Dixie.

Green again came up with the play of the game, carrying the ball from his own side of centre and beat five players and then the goalie with a perfect lob shot.

The goal tied the score at 1-1. Dixie added a single goal later in the half and two more in the second half to take the win.

Milton returns to action Tuesday night with a match with Oakville at Brian Best Park.

**Tree Fruits defence sharp in 2-2 draw against Rexdale**

Strong defensive work by Colin Grieve and Victor Bija in the second half permitted Milton Tree Fruits major atom soccer reps a 2-2 draw with Rexdale Wednesday at Rexdale's Pine Point park.

Milton scored two quick goals by the 20-minute mark of the opening half before watching Rexdale score a pair of their own, including the equalizer with a minute left in the half, to draw the score at two.

In the second half, Milton lost its offensive spark and needed to rely

on some good defensive work from Grieve and Bija as well as goalkeeper Philip Leach to keep the score even.

Milton went ahead 1-0 in the first five minutes. Paul Allen scored the goal after Andrew Kirkwood had split the defence with a perfect pass.

At the midway point in the half, Shawn Hassel-feldt netted a rebound from a screaming drive off the boot of Nicky Van Zutphen.

Rexdale scored both their markers in the last five minutes of the first half.

**Jaycees potent attack demolishes Oakville 9-0**

Employing a challenging attack, Milton minor atom Jaycees soccer reps demolished Oakville 9-0 in the Peel-Halton season opener Tuesday night in Oakville.

Milton dominated play throughout the game challenging the opposition before Oakville had a chance to move the ball.

The match was less than two minutes old when Robbie Mifsud bulged the net on a perfect set-up from Mark Harrison.

On the next rush, Mifsud returned the favor and Harrison made no mistake hitting the net just inside the post.

Before the half ended Milton added four more goals - one by Jason Blanchard from a goal kick, one on a booming drive by center-half Kyle Hassel-

feldt from well outside the box and two by Ian Troake.

The first by Ian was set up as a result of some hard work and a perfect cross-over by Shawn Healey and the second resulted from some neat passing from a corner kick.

Milton seemed very intent on preserving goalie Sean Wakely's shutout in the second half. Mark Harrison added three goals. Assists were credited to Blanchard, Kevin Moffatt and Scott Devlin who showed good speed and ball control on the left side.

Excellent defensive performances were turned in by Daniel Belvedere, Michael Bascom, Billy McIntyre and Hasselfeldt.

This week the minor atoms play at home against one of the class teams, Mississauga West.
