

Having a good time. Hamilton Shriners rode circles around Halton Regional Police, but it was all good fun.

Winners! The Milton Fire Department had time to play games, despite being host of the 1980 convention and they came out winners in several classes.

A Mighty Pull. Dunnville firefighters give a big pull during the tug-of-war competition Monday afternoon. They lost to Schomberg firemen.

Firefighters . . .

(Continued from Pg. 1) trucks, in cars or simply walked along mingling with the amused crowd which was frequently doused with large doses of water.

It took just less than 45 minutes for the parade to pass and the noise woke several of the remaining downtown residents who missed the parade.

The grand parade, again through downtown

Milton, entertained several more thousand spectators, Monday.

Monday's parade, from Milton Mall to the fair grounds along Main St., was described as one of the largest convention parades ever held. There were 25 groups of marching firefighters and ladies auxiliaries, nine bands, 28 pumpers, several antique hose reels, 10 miscellaneous floats and entries and several ambulances and rescue vans on parade. It took 40 minutes to pass a large crowd gathered on Main St.

More games continued throughout the day and prizes were awarded in the evening for all competitions and games.

Milton Firefighters won several prizes in the competitions. A full list will be published next week.

The firefighters operated their own security inside the fair grounds. Although no major complaints were registered, one security officer remarked that there was much stealing of beer.

Clarification

The arrest of a Milton man on charges of harassment has led to some embarrassment for another man with the same name.

Halton Regional Police have charged Robert Colgan, 32, 358 Main St. with a number of charges related to threatening telephone calls.

Meanwhile, Robert Colgan, 21, who lives in another part of town has been the victim of a number of questions asking if he is the same man as the one arrested and charged.

Even the middle initial of both men is the same but The Champion would like to point out the younger Mr. Colgan is not in any way involved with the man charged.

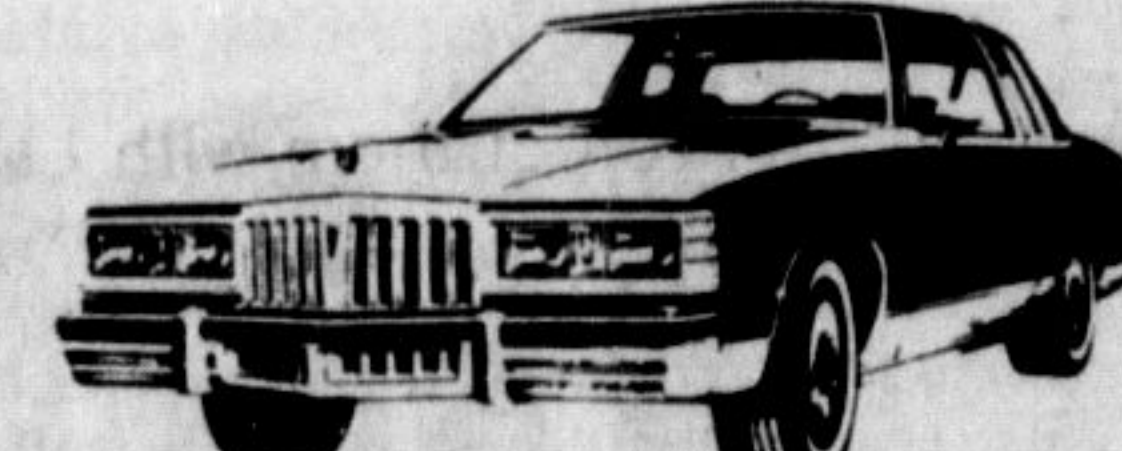

The . . . GENERAL MOTORS DEALERS

of Halton Hills and Milton

WILL NOT BE UNDERSOLD

We can offer buyers equal or even better prices than the Toronto dealers' sale this weekend.

It costs a lot of money to stage a huge sale in one location. Advertising, rent, extra people, phones and other facilities are all being passed on to you in the price as well as regular costs of doing business being borne by each dealer in the sale.

BETTER LOCALLY

Your local GM dealer is anxious to clear the decks for the 1981 models coming in October and we're ready to match offers to do it. Your local GM dealer is interested in your business and will offer you better service, more convenience and personal attention.

FINANCING

If you feel more comfortable dealing with your local bank go right ahead or leave it to us. We deal with the local bank branches too. If you prefer we can arrange convenient GMAC financing right in the dealership.

PERSONAL ATTENTION

If you have ever been to a big tent sale, flea market, or, even to kids' day at the CNE you then know the lack of personal attention you receive. They won't care whether they ever see you again as long as you buy.

WE AIM TO PLEASE

If you don't see exactly what you want on your local GM dealer's lot, we have instant access to cars in stock available at every dealer in Ontario. In most cases we can find the model, color and equipment to fit your needs within 24 hours.
