**THE BLUE LAGOON**  
A story of natural love.  
— BROOKE SHIELDS

Two children, a boy and a girl, are shipwrecked on a lost tropical island... they must survive, somehow alone. But nature is kind to them. The boy grows tall. The girl beautiful.

They swim naked over coral reefs. They run in a cathedral of trees. And when their love happens, it is as natural as the sea itself, and as powerful. Love as nature intended it to be.
