**...Better Living Through Quality Products**

Experience Plus the decorating consulting division of the Bath & Kitchen Experience would like you to be aware of the varieties of furniture collections available through the store at discounts 20%, 25%, 30% off regular prices. These discounts are enjoyed year round.

The 1600 Collection coming to you with the warmth of pine goes hand in hand with the elegance of style and the superior quality of fabrics.

The 1700 Collection exudes the sturdiness and profusion of solid oak making it a heirloom for future generations.

The 1800 Collection for the connoisseur of high quality solid maple will certainly satisfy, as it combines both the classical look of design and finish added to real comfort.

The full collections of furniture will please all—from the most discriminating to the most easy-going.

Kitchens, bathrooms, bedrooms, dining rooms, studies & dens can be transformed to focal points through the service & expertise of Experience Plus.

Call us today at 878-1333 or drop in to see us at our store in Milton Mall, 55 Ontario St. for products, advice & expertise from Beverleigh Aquilanti.
