30 Produce

Towering yield potential. One family of hybrids towers far above the rest in yields. Funk's G-Hybrids. Eight out of the world's ten yields over 300 bushels were produced from Funk's G-Hybrids. That makes Funk's the World Yield Leader by a long shot. And a good bet for you as you plan for higher production each year. Funk's G-Hybrids are bred to pop out of the ground early and vigorously. Then grow into robust, tough-standing plants holding up heavy ears filled with quality grain. Grain that dries fast in the fall. It is all means bigger yields in your bin and more money in your pocket. Now that's a sight to behold! So order now.
