

Checking the score. Milton Mayor Gord Krantz brought in seven pledge sheets for the bowlathon. He is shown chatting with from left: Rodger Shand, Milton-Oakville Big Brothers president; Bob Decker, who introduced the Big Brothers entrants on Saturday; and Big Brother Colin Evans.

Big Brothers raise \$3,200 in pledges in Bowl for Millions

By Jim Robinson
The most successful Big Brothers sponsored Bowl for Millions in Milton has raised \$3,200, almost \$500 more than last year.
Big Brothers' spokesman Bob Decker said the 37 bowlers will probably top \$3,200 when all the pledges are in.
He said 30 of the 37 involved had returned pledge sheets totalling \$3,135. With seven more to be handed in, Mr. Decker said he expects the 1981 Big Brothers bowlathon to easily surpass the \$2,700 raised last year.
"We were very pleased to see the turnout this year," he said.
"A nice addition was the team from The Cana-

dian Champion and the team of councillors headed by Mayor Gord Krantz."
Speaking of Mayor Krantz, he came well prepared for Saturday's Bowlathon with no less than seven pledge sheets and his 184 score resulted in \$260 of the \$530 raised by the council team.
The Canadian Champion raised \$269.75 in its first time at the bowlathon and team captain Mike Hall said the team will have even more pledges lined up for next year.
The outstanding bowler of the day was Robert Deacon of the Canada Valve team who, with a 272 score and 81 pledges, raised \$548.

PCL Packaging's team raised just over \$500 and the Lions Club of Milton team brought in \$528.
John Lenz, principal of Sam Sherratt School was the Big Brothers' organizer of schools in Milton and Oakville. He was able to bring out nine principals, vice-principals and teachers and they brought in \$284. A two-person Milton churches team brought in \$234.
Mr. Lenz said he was gratified "by the turnout for the bowlathon."
A number of prizes, including a trip to the Grand Bahamas is still to be won. It will go to a member of the adult bowling leagues who brings in the most pledges.

Big and Little Brother. Desmond Mullin, left, of Moffat, and his Little Brother, Darryl Richard, 11, of Milton, took part in the Bowl for Millions

Mocha Swirl Cheese cake

By Jane Muller
Show your affection this Valentine's Day by preparing this sweet confection and prove the stomach is a sure route to the heart.
Coffee liqueur is used to enhance the mocha flavor which is swirled throughout the creamy mixture.
This no bake cake recipe was one of 10 second prize winners in the Heritage Milk Recipe Contest sponsored by the Ontario Milk Marketing Board.

Anita Goldberg of Trenton made the submission which won her a week of international cooking classes in Toronto at the Bonnie Stern School of Cooking.
This cake will serve 10 so be sure to let some friends in on your sweet affection.

CRUST
1 cup graham cracker crumbs
¼ cup melted butter
½ cup chopped pecans
½ teaspoon cinnamon

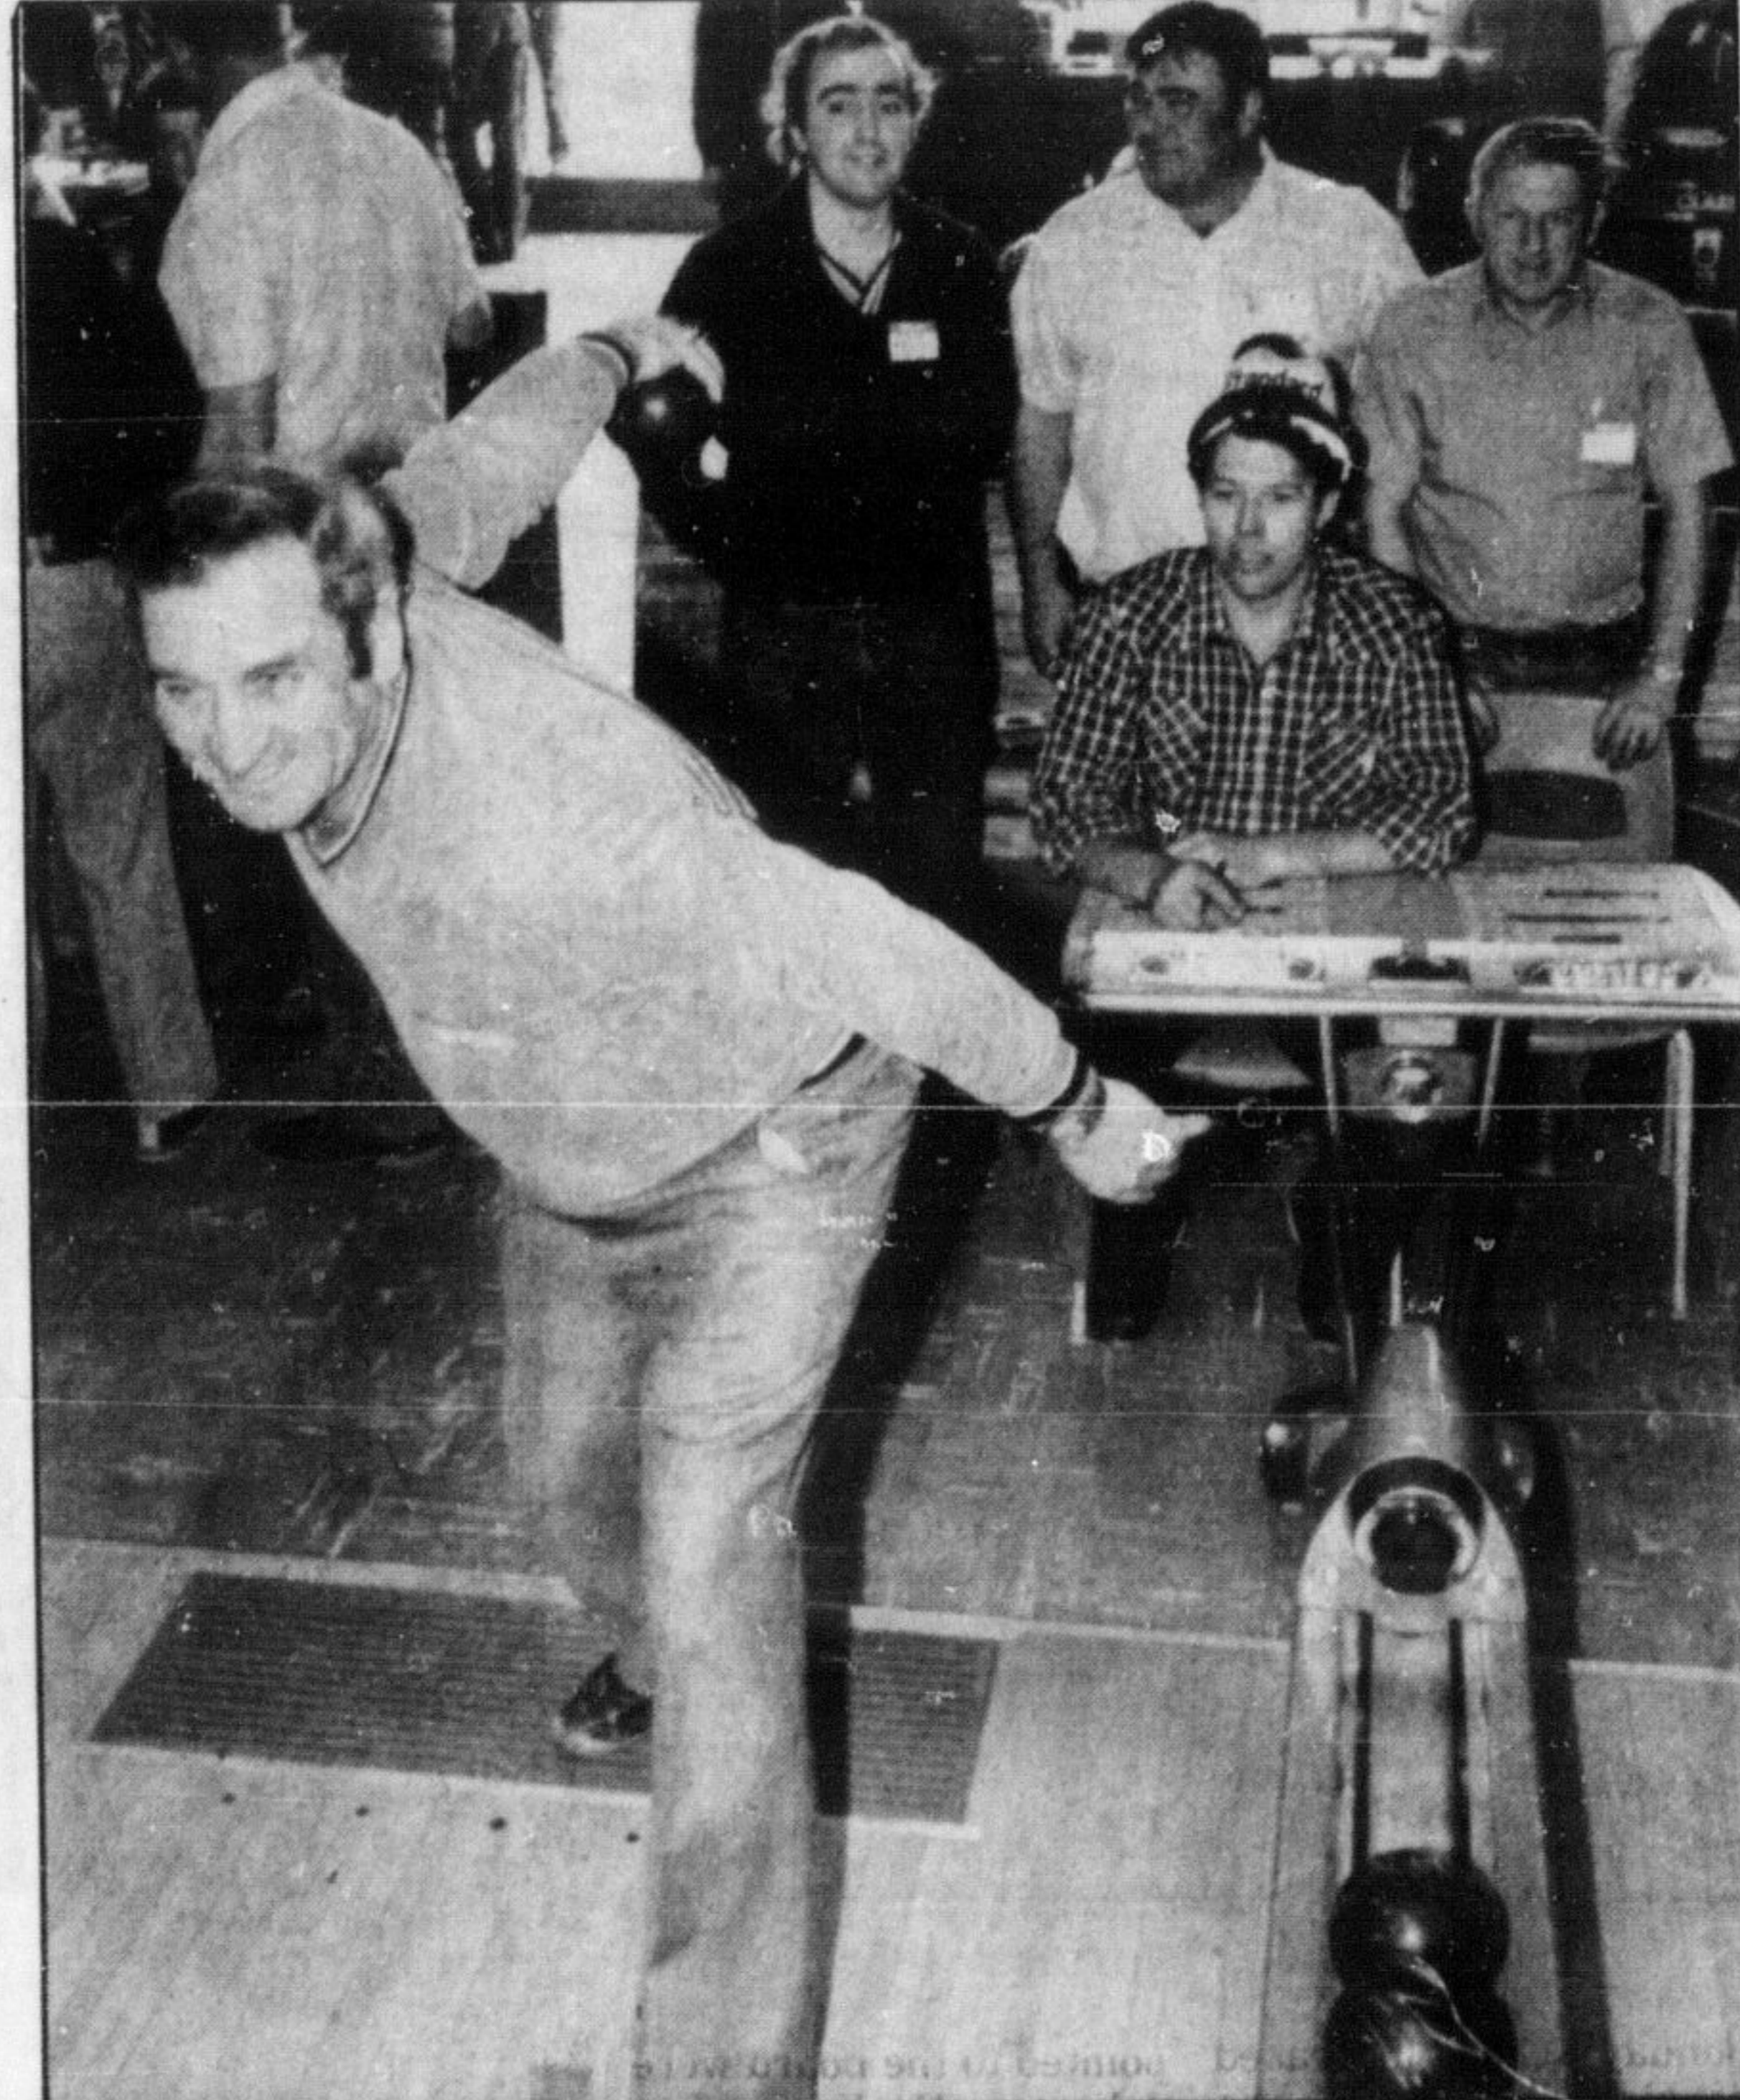

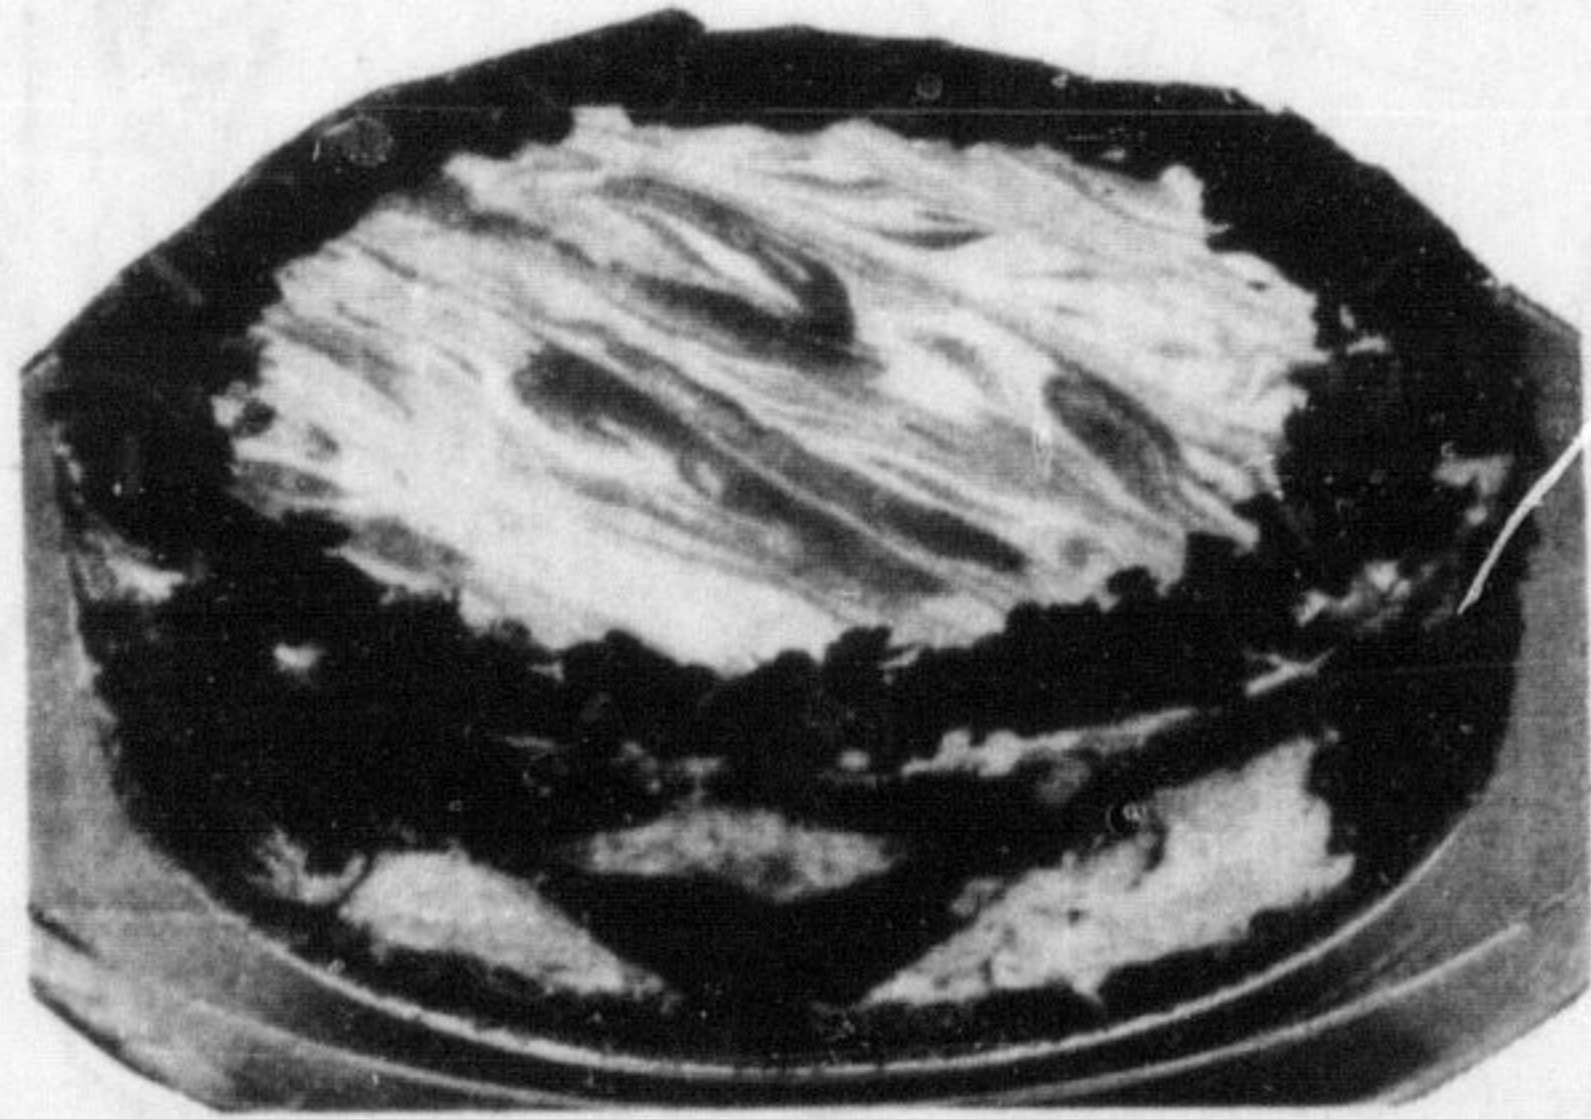

FILLING
2 cups milk
2 envelopes gelatine
1 tablespoon instant coffee
4 eggs, separated
2 packages (8 oz.) cream cheese

1 cup chocolate chips
1 ⅓ cup Kahlua (or other coffee liqueur)
½ cup sugar

FOR CRUST
Combine graham cracker crumbs, melted butter, pecans and cinnamon and press onto bottom of 9" spring form pan. Chill.

FOR FILLING
Mix gelatine and coffee with 1 cup milk in sauce

pan. Beat egg yolks with 1 cup milk and stir into gelatine mixture. Stir over low heat until gelatine is dissolved. Remove from heat. Beat cream cheese and ¼ cup sugar until smooth.
Gradually beat in gelatine mixture (or blend in food processor). Chill until mixture mounds slightly when dropped from spoon. Meanwhile melt chocolate chips with 1 cup Kahlua. Cool. Beat egg whites until soft peaks form. Gradually add ¼ cup sugar and beat until stiff. Fold in gelatine mixture. Combine chocolate with 2 cups gelatine mixture and alternate spoonfuls with the remaining gelatine mixture in the prepared crust. Swirl with a knife to marble and chill until firm.

Lions roar. Gus Mowbray winds up to lead the Milton Lions Club team entry during the Big Brothers Bowl for Millions. The Lions brought in \$528 in pledges.

Omagh

Omagh ladies to cater event

By Mrs. Cecil Patterson
Get well wishes to Mrs. Ruby Rutherford who is a patient in Milton Hospital and to Mrs. Ruth Brownridge under doctor's care.

The regular meeting of the Omagh Presbyterian W.A. and W.M.S. was held at the home of Mrs. Colin Marshall on February 5 with eleven members attending.
W.A. president Mrs. Isobel Hilson opened the meeting with a poem. This was followed by a hymn and worship period conducted by Mrs. R. Marshall.

The ladies will cater to the Halton Farm Safety Council dinner on Tuesday, February 24. Plans were made for this. Financial reports were given by Mrs. Mulligan treasurer.

The W.M.S. meeting, was conducted by the president Mrs. C. Patterson.

An article from the Daily Bread was read by Mrs. Milligan, the Mary Stuart prayer was repeated.

A reply was read from the Boston W.M.S. group thanking for invitation to the regular joint meeting in June and accepting same. Roll call word was answered with a scripture verse containing the word lead.

The worship lesson from the Shorter Catechism was given with much interested discussion by all members.

The program was in charge of Mrs. J.C. Marshall who read a poem on February and conducted two contests. Mrs. Fred Amme one of the members invited the ladies to an open house at her home on the occasion of her fiftieth wedding anniversary on February 19 from 2 - 4.30 p.m.

The meeting closed with benediction by Mrs. Milligan and the hostess assisted by Mrs. Greta Vanderdeen served a

delicious lunch.

The second meeting of the Hornby South 4 H club was held on Saturday, February 7 in the Omagh Church hall with president Christine Opsteen conducting the opening exercises of 4 H pledge roll call and business.

The leader Mrs. Cecil Patterson reviewed lesson one on grades of chicken, cutting up and preparing same for freezer or cooking, emphasizing that great care must be taken to prevent contamination from poor handling practices. (Chicken must be refrigerated at all times, must be cooked thoroughly, never stuff a chicken for roasting until it is going to be cooked

and always remove the dressing after cooking. For meeting two methods of cooking were explained, these are frying, roasting, using dry heat, stewing with moist heat. The members were divided into groups and each prepared a tasty dish (1) chinese chicken. (2) Niagara nice and spicy chicken. (3) Jellied chicken and (4) tea biscuits.

These were served for lunch along with salad and relishes. The girls enjoyed preparing these dishes and also in eating them, and they proved very delicious.

The next meeting will be held in two weeks February 21, same time and place and the theme will be working with eggs.

Council praises

The Halton District Health Council says it is pleased Dr. Peter Cole has been appointed the region's Medical Officer of Health.
Council Chairman Mrs. Estrid Manore said the appointment was viewed with "considerable pleasure" even though the appointment was strongly opposed by anti-abortion groups.

"We have noted with interest that Dr. Cole is a young man and appears to have all the qualifications and background which would permit him to provide the leadership, direction and energy that this position needs.

"This will become especially important in view of the increasing emphasis being placed on community health and the expanding activities in the public health sector," said Mrs. Manore.

NOTICE OF PUBLIC MEETING AMENDMENT NO. 10 TO THE MILTON OFFICIAL PLAN

Location of Land Affected

Please take note that the Council of the Town of Milton will hold a Public Meeting to discuss and explain a proposed amendment to the Official Plan of the Milton Planning Area.

1. PURPOSE OF AMENDMENT
The purpose of this amendment is to more clearly define the development control and servicing strategies as set out in Official Plan Amendment No. 7 to the Official Plan of the Milton Planning Area as modified and approved by the Minister of Housing on February 19, 1979.

2. LOCATION OF LANDS AFFECTED
This Amendment applies to approximately 1,000 acres (405 hectares) of land in the former Township of Esquesing indicated on Schedule "A" and described as follows:
Bounded by Highway No. 401 to the south, the Town of Milton boundary to the east, the south and west limits of the proposed Nanticoke-Pickering Hydro Corridor, the northerly limits of Lot 4, Concession II and part of Concession III and the First Line to the west.

3. BASIS FOR THE AMENDMENT
This Amendment is prepared in accord with the instruction of Milton Council that additional planning and development control mechanisms be applied to the lands within Official Plan Amendment No. 7 to the Milton Planning Area. These additional planning controls are basically grouped into two categories; namely, (1) the elimination of conflicting land use matters within the Amendment prior to industrial development taking place, and (2) the implementation of proper road and servicing procedures throughout the Amendment area.

4. DETAILS OF AMENDMENT
Whereas it is deemed appropriate to ensure the compatible development of lands within that portion of the Milton Official Plan Amendment No. 7 area north of Highway No. 401, and whereas, there are a number of rural residential land uses within that portion of the Amendment area, additional planning constraints should be exercised in those areas where such land use conflicts could arise. The Official Plan Amendment No. 7 area has therefore been divided into two (2) major sub-areas as illustrated on Schedule "A" to this Amendment. These sub-areas are not to be considered as phasing areas, rather, they are areas exhibiting similar development and servicing characteristics within themselves.
Sub-area 1 includes a limited number of rural residential uses and involves a somewhat more expansive servicing requirement than that portion of Milton Official Plan Amendment No. 7 south of Highway No. 401 in that trunk water and sewer mains must be placed under said Highway. The major road pattern within Sub-area 1 can be developed quite independently of those south of Highway No. 401 and in Sub-area 2. Sub-area 2 includes the greatest number of rural residential land uses and also involves the greatest servicing cost as trunk water and sewer mains must be extended within the existing urban serviced area to the south of that portion of Official Plan Amendment No. 7 and said main, in addition, must be placed under Highway No. 401.
Prior to industrial development proceeding in either of the 2 Sub-areas aforementioned:
(1) conflicting land uses will be either eliminated or otherwise resolved so that there will not be any conflict between future industrial and existing residential uses,
(2) proper servicing procedures are implemented in accordance with the basic servicing guidelines set out in Official Plan Amendment No. 7 to the Milton Planning Area as modified and approved by the Minister of Housing.
Development and its related servicing will only be allowed to proceed in a contiguous fashion extending outwards from the existing urban serviced area. In this way, isolated industrial land uses will not prematurely take place throughout either of the 2 Sub-areas and roads, water mains, sewers (where applicable) etc., can be extended in a logical and contiguous manner.
Nothing in this Amendment shall have the effect of further modifying any of the other provisions of Official Plan Amendment No. 7 of the Milton Planning Area as approved by the Minister of Housing on February 19, 1979.

ALL INTERESTED CITIZENS AND PROPERTY OWNERS ARE WELCOME
