Outdoor registration coming soon at the mall

and spring cannot be far away. Milton Youth Soccer Club will be holding registration in Milton Mall' on Friday and Saturday, Feb. 27-28 and again March 13-14.

Don't forget that if you do not register at one of these sessions you will be liable for a hefty late registration fee.

In connection with the MYSC registration the club and Toronto Blizzard will be running a promotion for the first Blizzard outdoor game of the season, at Exhibition Stadium, April 12, against Dallas Tornado. Look for the special deal on tickets for this game and an opportunity for the kids to join the Blizzard Booster

MYSC was obliged to postpone their directors meeting last Tuesday evening due to the inclement weather. The meeting has been rescheduled for this evening (Wednesday) at Milton Sports Centre at 8 p.m.

Two directors have been obliged to resign because of other commitments and replacements are being sought, one to be involved with the girls' program and the other as of the peewee house interested in Anyone volunteering for either of these positions should contact Trevor Preddy at 878-7560.

Peel-Halton District Youth Soccer League close this week and MYSC is still lacking coaches for both the minor and major peewee teams. The club is anxious to operate teams at these age levels in order to maintain continuity. If a team misses operating for one year it is very difficult to get going again the following year.

The Milton branch of the Ontario Soccer Referees Association meeting this evening at the Optimist Centre on Commercial Street at 8

p.m. Anyone interested in refereeing is invited.

A basic referee clinic is being held in Milton in March and those interested in taking the course should contact Owen Faulknor at 878-3156 or Dennis Quinton at 878-5785. Dennis will also be at the MYSC registration February 27-28 to take applications. Both men and women over the age of 14 years are welcome.

Reg Griffin, well known in soccer circles in both Milton and Oakville, is home after three weeks in hospital for treatment for angina. Hope you are progressing well, Reg, and heeding your doctor's advice to take things easy. We will be looking forward to seeing you around the fields in the summer.

Pineview Youth Soccer Club is holding registration Saturday at Pineview School from 10 a.m. to 2

Pineview has a Level One coaches course arranged for the weekend of March 7-8. The fee is \$15 and any budding coaches, male or female, who are interested in taking part can contact Martin Boettcher at 878-

MYSC report they have a gymnasium organized solely for girls, of all ages, on Tuesday evenings at Martin Street School from 7.30 to 8.30 p.m. Any girls interested are invited to go along.

Other good singles: Geoffrey Barnes 134 and Shane Pisani 126. Team standings are as follows: Sean's team won 5 for 711/2, Brian 3 for 69, Shelley 1 for 67, Peter 5 for 64, Kathy 0 for 63, Kim 0 for 59, Michael 5 for 57, Chris T. 5 for 56, Jenny 4 for 551/2, Karen 5 for 52, Mike 3 for 49, Lisa 2 for 44, Chris H. 2 for 44, Kevin 0 for 36, Jeff 0 for 33. Cathy 0 for 32, Bobby 5 for 30 and Dan 0 for 18.

The junior girls came fifth in the 4-Steps To Stardom zone round held Saturday. Here are some of the scores: Cathy Verstraete bowled 289 and 230 for 688 triple, Sharon Haringa 205 and 236 for 608, Bonnie Burnett 199 for 506, Julie Campbell 205 for 492 and Debbie Hamilton 173 single.

The girls' high single was Sharon Haringa 206 and 183. Next came Bonnie Burnett 182.

2 for 71, Mike 5 for 63 and Colin Marlene Boughton 541 triple

Kevin's team won 7 for 93, Darri

NOTICE OF PUBLIC MEETING AMENDMENT NO. 10 TO THE MILTON OFFICIAL PLAN

Please take note that the Council of the Town of Milton will hold a Public Meeting to discuss and explain a proposed amendment to the Official Plan of the Milton PLanning

. PURPOSE OF AMENDMENT

The purpose of this amendment is to more clearly define the development control and servicing strategies as set out in Official Plan Amendment No. 7 to the Official Plan of the Milton Planning Area as modified and approved by the Minister of Housing on February 19, 1979.

2. LOCATION OF LANDS AFFECTED

This Amendment applies to approximately 1,000 acres (405 hectares) of land in the former Township of Esquesing indicated on Schedule "A" and described as follows:

Bounded by Highway No. 401 to the south, the Town of Milton boundary to the east, the south and west limits of the proposed Nanticoke-Pickering Hydro Corridor, the northerly limits of Lot 4, Concession II and part of Concession III and the First Line to the west.

3. BASIS FOR THE AMENDMENT

This Amendment is prepared in accord with the instruction of Milton Council that additional planning and development control mechanisms be applied to the lands within Official Plan Amendment No. 7 to the Milton Planning Area. These additional planning controls are basically grouped into two categories; namely, (1) the elimination of conflicting land use matters within the Amendment prior to industrial development taking place, and (2) the implementation of proper road and servicing procedures throughout the Amendment area.

4. DETAILS OF AMENDMENT

Whereas it is deemed appropriate to ensure the compatible development of lands within that portion of the Milton Official Plan Amendment No. 7 area north of Highway No. 401, and whereas, there are a number of rural residential land uses within that portion of the Amendment area, additional planning constraints should be exercized in those areas where such land use conflicts could arise. The Official Plan Amendment No. 7 area has therefore been divided into two (2) major sub-areas as illustrated on Schedule "A" to this Amendment. These sub-areas are not to be considered as phasing areas, rather, they are areas exhibiting similar development and servicing characteristics

within themselves. Sub-area 1 includes a limited number of rural residential uses and involves a somewhat more expansive servicing requirement than that portion of Milton Official Plan Amendment No. 7 south of Highway No. 401 in that trunk water and sewer mains must be placed under said Highway. The major road pattern within Sub-area 1 can be developed quite independently of those south of Highway No. 401 and in Sub-area 2. Sub-area 2 includes the greatest number of rural residential land uses and also involves the greatest servicing cost as trunk water and sewer mains must be extended within the existing urban serviced area to the south of that portion of Official Plan Amendment No. 7 and

said main, in addition, must be placed under Highway No. 401. Prior to industrial development proceeding in either of the 2 Sub-areas aforenoted:

(1) conflicting land uses will be either eliminated or otherwise resolved so that there will not be any conflict between future industrial and existing residential uses.

(2) proper servicing procedures are implemented in accordance with the basic servicing guidelines set out in Official Plan Amendment No. 7 to the Milton Planning Area as modified and approved by the Minister of Housing.

Development and its related servicing will only be allowed to proceed in a contiguous fashion extending outwards from the existing urban serviced area. In this way, isolated industrial land uses will not prematurely take place throughout either of the 2 Sub-areas and roads, watermains, sewers (where applicable) etc., can be extended in a logical and contiguous manner.

Nothing in this Amendment shall have the effect of further modifying any of the other provisions of Official Plan Amendment No. 7 of the Milton Planning Area as approved by the Minister of Housing on February 19, 1979.
