## Manor-union

agreements

A number of agreements on issues regarding salary, job descriptions, and other matters have been reached between Halton Centennial Manor and members of the 250-member workers' union. Although the report on the meeting of minds between both sides was held in a secret session of the Regional Health and Social Services Committee, the results are expected to be made known today at the regular meeting of Halton Regional Council.

## Condo approved

Regional councillors have approved a nineunit industrial condominium in Milton on Steeles Ave. at Morobel Dr.

The industrial condominium on about 1.1 acres of land, presents no servicing concerns to the region and proposes no problem issues for the Regional Business Development Department.

Halton Region will not seek leave to appeal a decision in favour of the Halton Aggregate Producers with regard to the Halton Regional Official Plan. The region will instead "attempt to negotiate a solution to the concerns raised by the Halton Ag-

Insurance team A change in the new town council will result in

some added expertise in reviewing insurance needs for the municipality. In the past it has been the practise for one person to look at insurance coverage, but this year Finance Director Don Longheed suggested a three-member team of himself, Mayor Gord Krantz, and Councillor Don Knight.

Councillor Knight operates a successful insur-

Milton Councillors have endorsed a Hamilton-Wentworth resolution urging that a person killing a police officer should face the death penalty. Hamilton-Wentworth Region states in its resolution it feels "very strongly that those who
