

Launch Manor auction sale

Halton Manor Auxiliary plans an auction of donated articles on April 10, and the Kiwanis Club of Milton made the first donation last week when this oil painting by Milton artist Frank Rivier was turned over to Auxiliary President Verna Callan by Kiwanis President Jim Hall (centre). On the right is Chris Schouten, who will conduct the auction to raise funds for a craft room at the Manor.

Omagh

Hillcrest United takes part in Day of Prayer

By Mrs. Cecil Patterson
The Halton Farm Safety Council held the annual meeting on Tuesday, Feb. 24 at Omagh Presbyterian Church. Lyle Stokes president welcomed those present and presided.

Two young ladies, therapists from the Workmen's Compensation Board, Toronto presented a fine demonstration and talk on taking care of our back emphasizing that we have only one and it must last a lifetime. We should bend our knees when lifting. The human back can be injured by improper lifting or twisting.

A delicious dinner was served by ladies of the church. In the afternoon program representatives from the Ontario Federation of Agriculture gave a resume and history of the association. Jim Reed vice pres. of the Halton Federation emphasized the many ways the Federation can help farmers with local problems. Thirty members attended and welcomed several members from the Peel Safety Council. Halton Council is sponsoring a St. John Ambulance course for those interested in safe practices on the farm, in the home, or other accidents.

Lorna Devlin celebrated her second birthday on Feb. 27 and her mother Mrs. Dale Devlin entertained at a party. Young friends Denise Hilson and Sarah Baxter and their mothers were guests for a pleasant afternoon. Later Lorna's grandparents Mr. and Mrs. L. Love of Milton attended a dinner in her home.

Mrs. Bert Jones moved a hearty note of thanks to all the members who took part in the crewl display on Summary Day.

Mrs. Laura Dixon introduced the guest speaker, Mrs. Caroline McDonnell of Milton, who is the National Co-Ordinator for the Beef Information Centre working out of Toronto. There are five centres across Canada and Toronto is the head office. This is a service to consumers and you may write or call for information to 590 Keele St., Toronto M6N 3E3, or phone (416) 766-2787.

The different cuts of beef were shown on slides. Members were also told the cheapest meat per pound may not always be the most economical buy. Stores are asked to use the standard set of names for different cuts of beef.

Mrs. Bert Jones thanked Mrs. McDonnell, the lunch committee and all who took part.

Belated birthday greetings to Mrs. Jacqueline Marsan on Feb. 19. Sarah Baxter one year old on Feb. 21.

Mr. and Mrs. Clarence Patterson of Stratford were visitors with friends in this area Wednesday.

The month of March has come in cold but like a lamb. What's your guess will it finish like a stormy lion?

The World's Day of Prayer service will be held in Hillcrest United Church on Friday, Mar. 6 at 1.30 p.m. A fine program and fellowship will be followed by afternoon tea. Churches taking part are Omagh Pres-

byterian, Bethel United, St. Stephen's Anglican Hornby, and Hillcrest. The meeting is sponsored by the ladies of the church but gentlemen are invited to attend also.

The Hornby South 4-H club held their fourth meeting on Saturday with all members and the leader Mrs. C. Patterson attending.

President Chris Opsteen was in charge for 4H pledge and other business. The members decided to invite their mothers and members of Hornby W.I. to a party at the church hall. This party is part of the 4H project for the spring club.

A review of the last meeting and discussion on meeting 4 was held emphasizing that eggs are an important source of protein and iron. Canada's food guide counts 2 eggs as one meat serving. The daily recommendation for girls 13 to 15 years old is 2200 calories and for boys 2800 calories. Eggs can be served in so many attractive ways and help supply the needed calories.

The members worked in groups preparing food, one made chicken soup with dumplings another made cream puffs and these were served with chicken a la king and hot tea biscuits. The members have become experts at making the biscuits. These were served later for lunch.

Scores of dogs and their owners from all parts of Ontario, USA and from as far away as Manitoba attended the Toronto Lure classes on Saturday and Sunday at the farm home of Mr. and Mrs. Dennis Snowden, 4th Line. The dogs chase after a make believe rabbit over a given course and are timed.

The St. John Ambulance emergency course sponsored by the Halton Safety Council had the first meeting on Monday. A second meeting will be held next Monday, Feb. 9 at 12.30 at the Milton Information Centre.

Cuts of beef shown to group

Mountain Union Women's Institute February meeting was held at the home of Mrs. Margaret Dixon, Victoria St. in Milton.

Mrs. Gordon Farlow chaired the meeting in the absence of the president. There were 12 members and two guests.

The roll call was answered by naming a "no name" product they had used and their reaction to their finding many favorable replies resulted.

The members showed their appreciation to Mrs. Drew with applause for her sale of candles for the Institute.

Mrs. Bert Jones moved a hearty note of thanks to all the members who took part in the crewl display on Summary Day.

Mrs. Laura Dixon introduced the guest speaker, Mrs. Caroline McDonnell of Milton, who is the National Co-Ordinator for the Beef Information Centre working out of Toronto. Hi School News

Basket champs!

By Janet Rerecich
In an action-packed game last Wednesday against Bolton, Milton seniors emerged as the winners taking the title of Halton Peel Champs. The Mustangs won by a tight score of 57-50.

Perry Martin (No. 31) came up with 21 points in the game. Jeff DeFreitas and Jeff Lambe (No. 44) each had 10 points. Tom Galloway and Kevin Houldcroft had six points apiece.

Both teams played a super game. Milton's offense was working well against the Humberview Huskies. The Huskies on the other hand took advantage of our sometimes slow defense and got some good breakout baskets.

From here, the Milton Mustangs travel to a three-day tournament in Timmins for the All-Ontario basketball championships in the double "AA" division. There will be 14 teams in this tournament, which takes place on March 19, 20, 21. Good luck guys!

AGONY OF DEFEAT
On the same night as the basketball game, the junior girls' volleyball travelled to Nelson High School for the semi-finals. It was to be the best three games out of five.

Milton went the distance but lost the final deciding game by a score of 17-15. This marks the end of a fantastic season for the girls. Many thanks goes to the coaches Sandra Tonelli and Dave Knight.

GUIDANCE
This is a notice to all grade elevens. Your councillors will be in touch with you soon for career planning sessions. The group discussions will be held by Mr. Chud and Mr. Vella. The purpose is to aid you in making the right decisions towards your career (other than being an educated bum).

WRESTLING
Dan Bonin was Milton's only representative in the Halton-Peel wrestling meet last Thursday. He won his first match by a pin. He lost his second match by points.

In his last match, he had no chance to win. His opponent was clearly too much

Your son's or your daughter's French conversation could improve this July.

A month at one of Bishop's College School's summer courses could help them with:

- French as a second language

Concentrating attention on the individual needs of each student, experienced Francophone teachers will provide the opportunity for extensive practice in spoken and written French.

Recreational and cultural activities, both on and off our campus, encourage better understanding amongst students and teachers of both English and French language groups, who live together at the school for the month.

Our courses are designed to meet the needs of boys and girls, aged 11 to 15. Detailed reports are prepared following the close of summer school which will run from June 28th - July 25th. For additional information please write to:

Director of Admissions, Summer Courses, Bishop's College School, Lennoxville, Que. J1M 1Z8 or telephone (819) 562-7683
