Fine home needs a brand new family

Once upon a time, I was filled with fun and laughter, but since my family has decided to move I have become very depressed.

My three bedrooms will miss someone to cradle.

My modern kitchen needs the aroma of dinner simmering and the eat-in area needs the sound of happy mealtime conversation.

My living room and dining area must

have visitors to be contented.

Who will play in my large fenced yard, and who will barbecue on the patio?

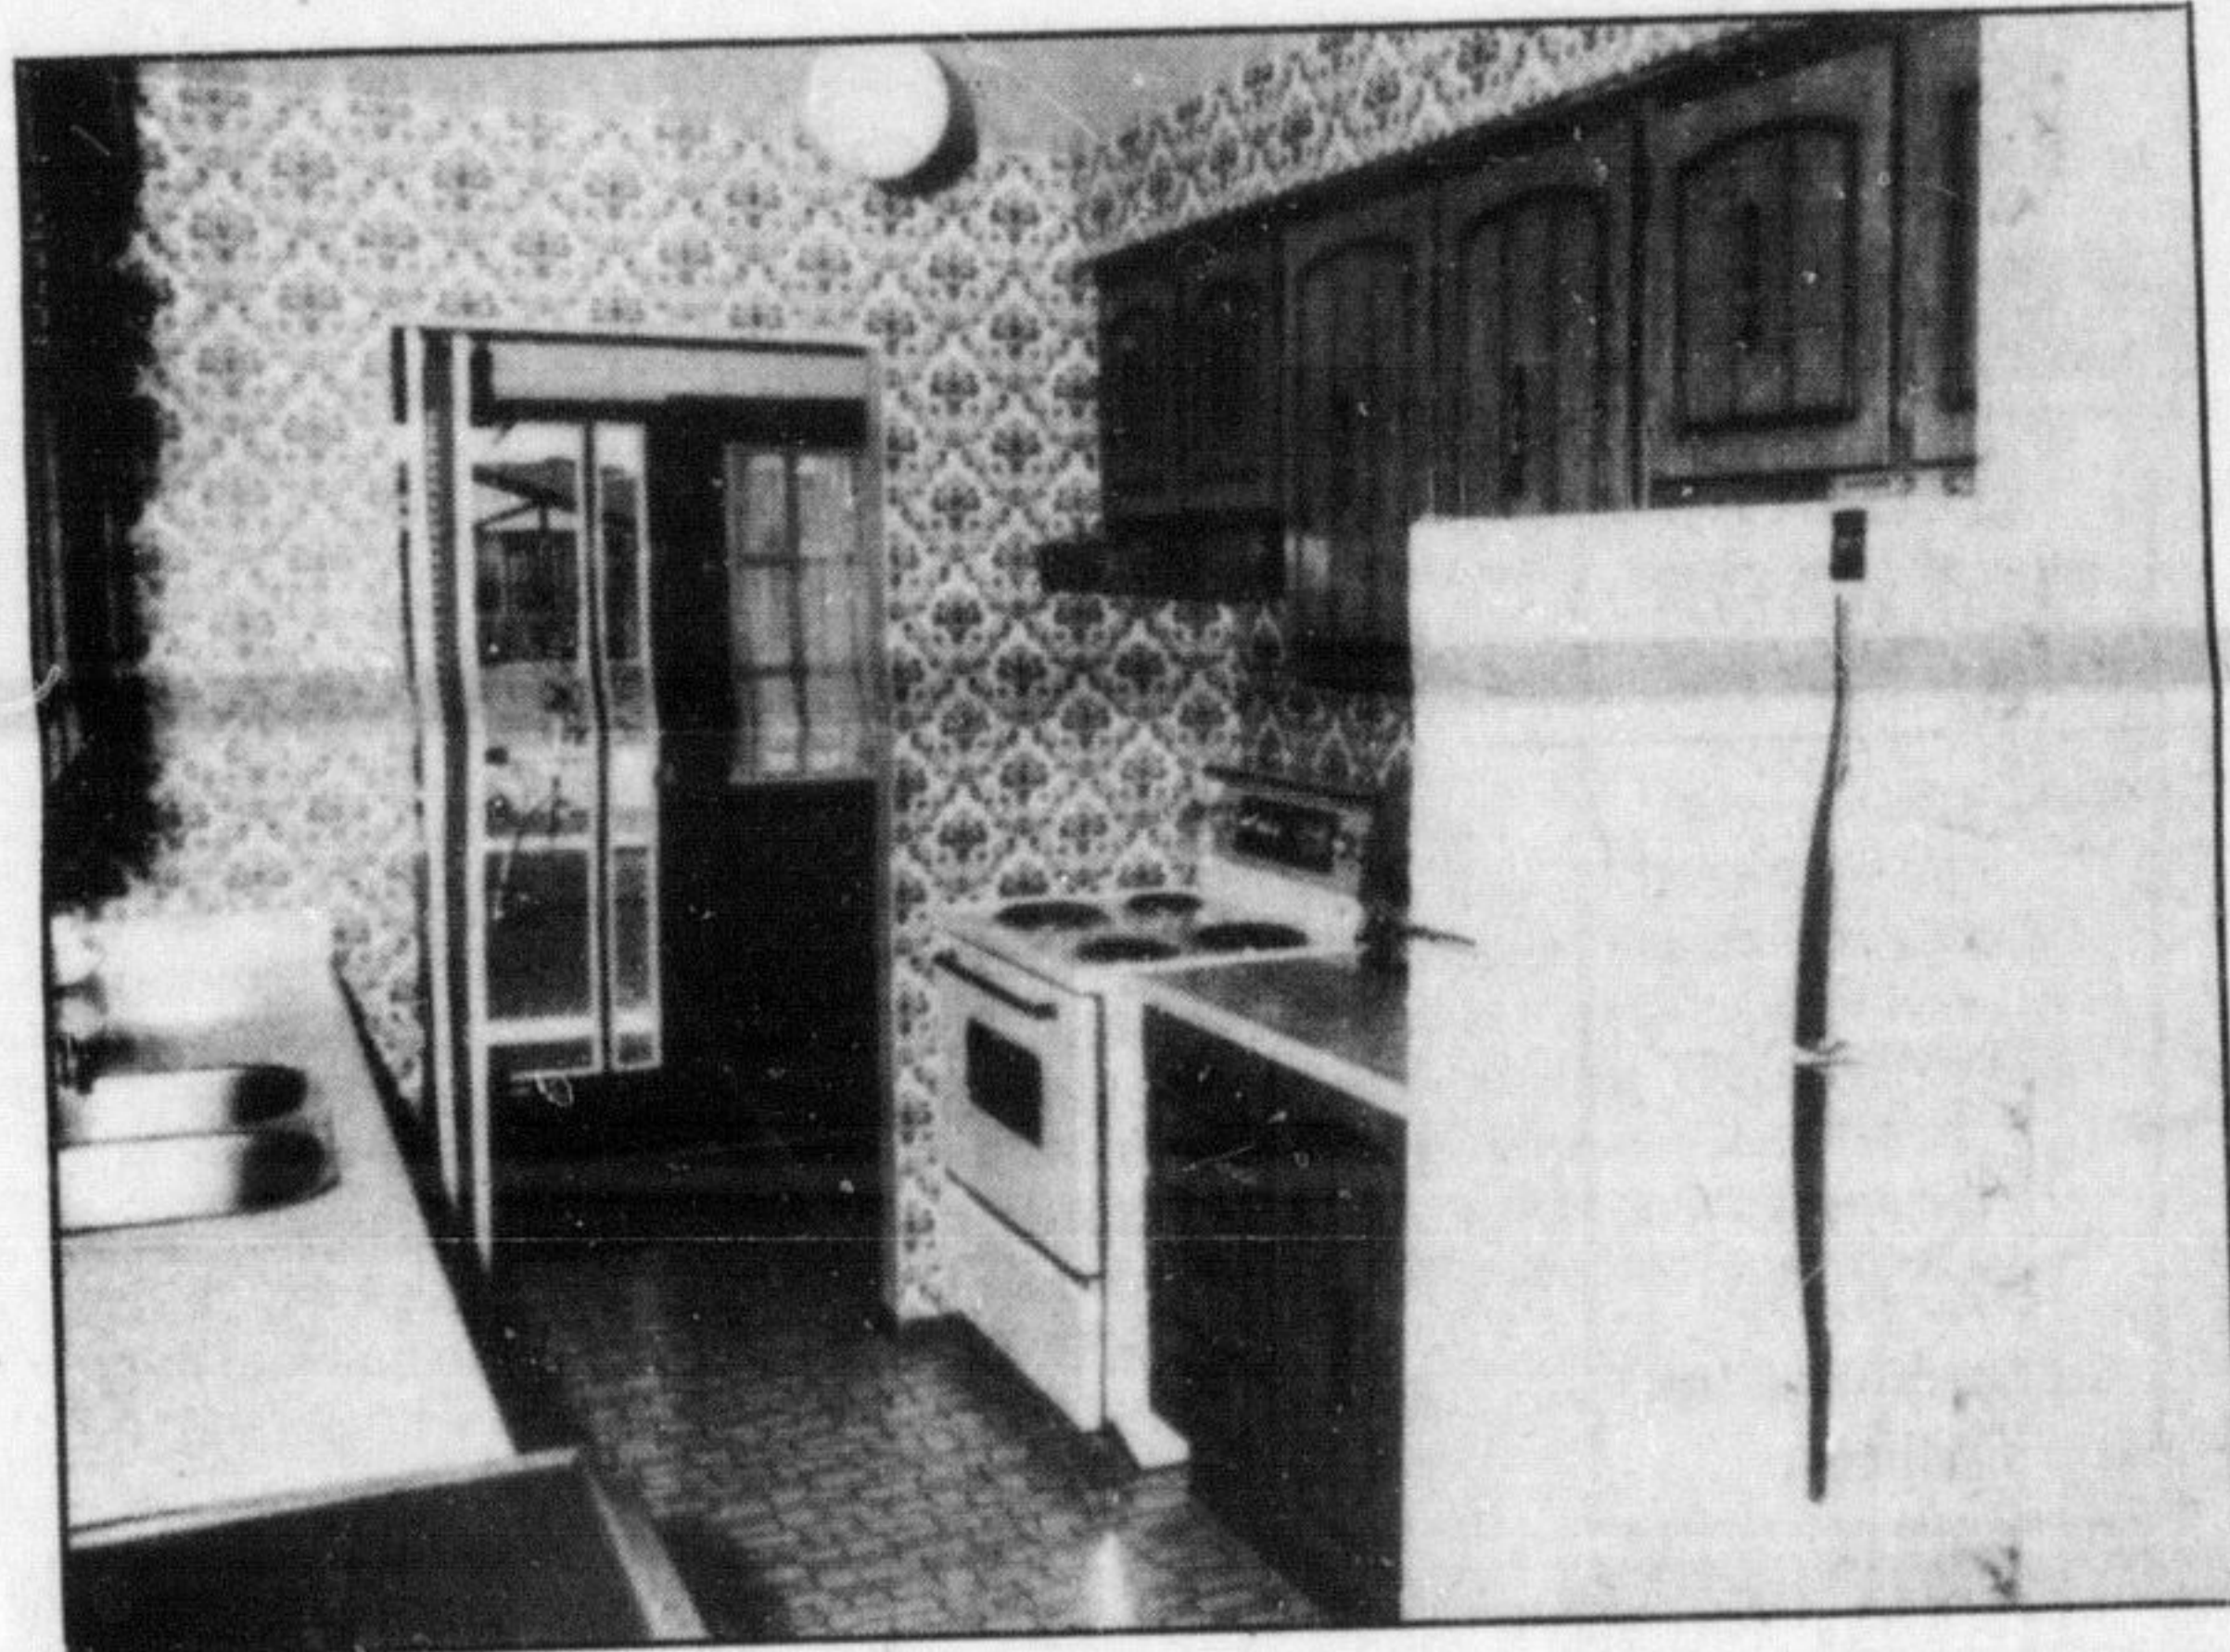

Who will sit by the wall-to-wall stone fireplace in the family room?

Won't you please cheer me up?

Come on over and visit me today!

I know we'll like each other.

Miltowne Realty Corporation will help us get acquainted. Call 878-2365.

Bright and clean. This modern kitchen features wood cupboards, double stainless-steel sinks and a large eating area just steps from the work area.

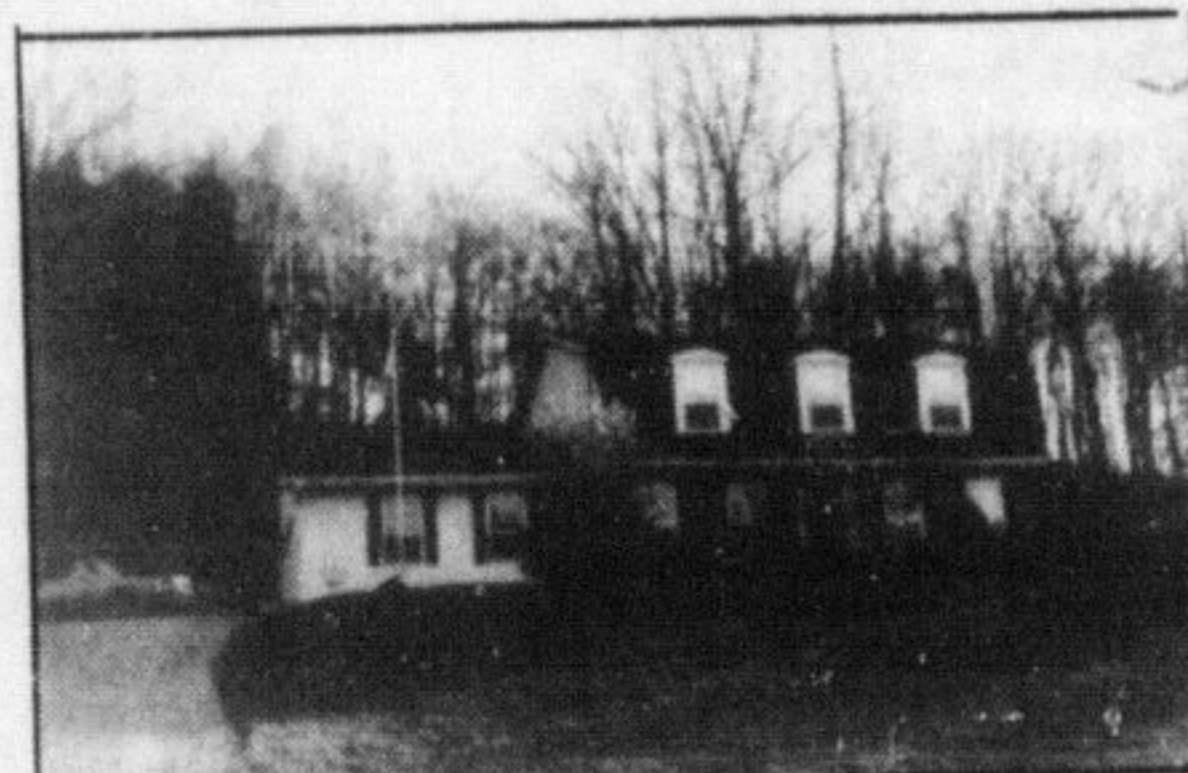

Spacious best describes the living room-dining room combination that is ideal for parties. The dining room opens to the patio, just perfect for those summer evening get-togethers.

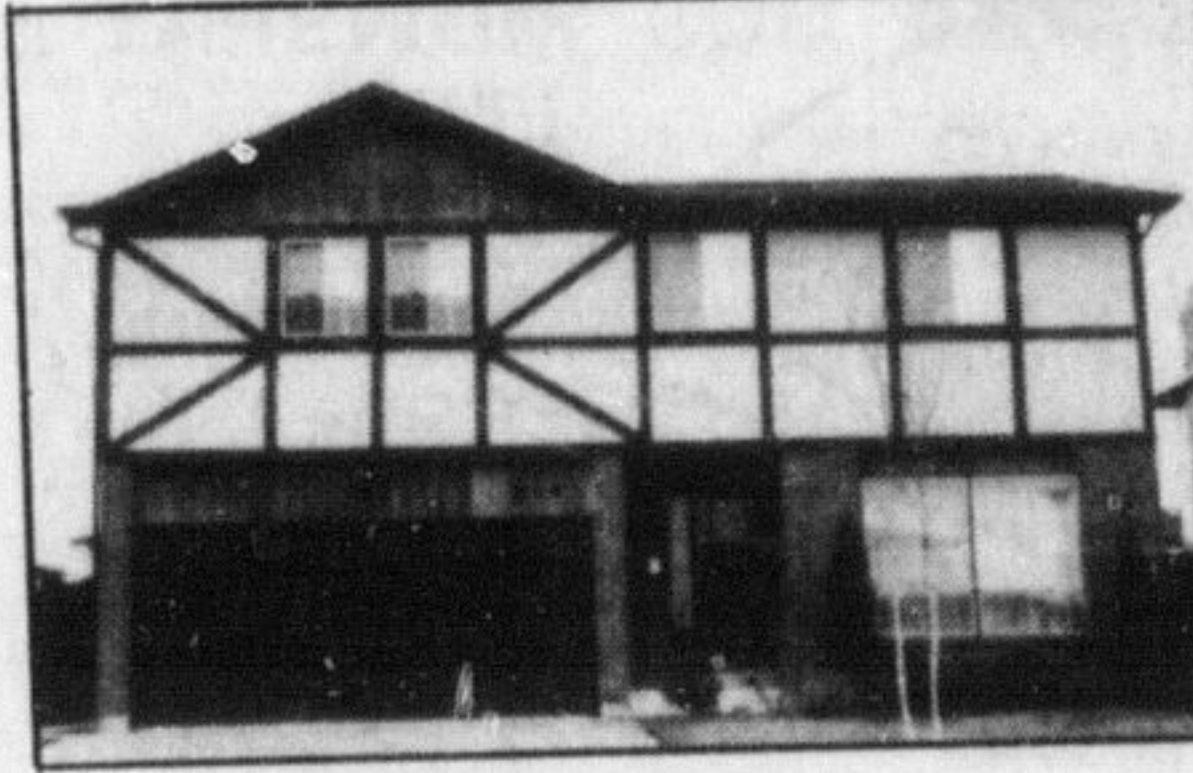

Room to grow. The Home of the Week features three bedrooms and many other good features. See it today, call Miltowne Realty Corporation.
