## Senior boys' cagers foiled in OFSSA bid

The senior guys basketball team travelled to Bolton Tuesday to compete in the P.H.S.S.A. championship. The winner advanced to represent the Peel-Halton region in "AA" level of OFSSA.

Mustangs faced Bolton in their first game. After a slow start they "bounced" back to take a 44-39 victory.

Kevin Houldcroft had a super offensive game as top scorer with 27 points. Tony Clayford and Gord Haines each shot for six points. Lex Plater and Houldcroft dominated the boards with their rebounding.

Next, the Mustangs were up against Acton for the championship. Acton exploded with superior shooting in the first half. Milton came back to tie the game but Acton continued to play well.

Even though the Mustangs played a strong game offensively and defensively, Acton came out on top 42-31.

Houldcroft was top scorer (again) with 14 points, Adrian (Zuba) Zuilian had seven points and Clayford had five. Zuilian was top rebounder and Haines came up with some steals.

## Junior swimmers break another record

Well, the junior boys relay team did it again.

They broke the Peel-Halton 200 meter freestyle relay shaving almost two seconds off the previous record with a time of 1:55.29. This record was broken only one week after the same group broke the Halton record during the Halton championships.

Congratulations to Ian Sutherland, Randy McLeod, Paul Mazak and Graham Lamb for an excellent performance.

Mazak also placed second in the junior boys 50 meter freestyle while Sutherland placed fourth in the 100 m freestyle. Lamb was seventh in the junior boys backstroke.

For the senior boys, Mark Eremner captured fourth place in the 200 m freestyle. Scott Morey placed

swim and come through in flying colors.

The brother-and-sister combination of Barbara and Hugh Silk swam Monday night and completed the 200 laps. Hugh did it in an hour and 30 minutes while his sister needed 20 minutes longer but capped the swim by doing the butterfly, the hardest stroke, for the final two laps.

Earlier, Scott Ovenden completed 192 laps and was stopped only by the two-hour limit.

The bulk of the 42 swimmers will go March 20. Other swimmers joining the swim-a-thon include the sports editor of this paper as well as the sports editor of the "little paper that shrunk". Will it shrink even more if it gets wet?
