## Knox Church

### Door the theme

The WMS Evening Dept. of Knox Church met at the home of Mary Jackson on Tuesday, March 9th with 14 ladies present.

The President, Billie Marshall opened with a reading by St. Patrick, followed by the singing of "Ye Who The Name of Jesus Bear," and the saying in unison of the Lord's Prayer.

Adeline Mackay led the devotional period, choosing "Doors" as her theme. The scripture reading was taken from St. John 10. There are many different types of doors, each with a different purpose. Low doors that lead to low or sinful deeds will leave us stooped and malformed if we enter too many.

The door we choose for tomorrow should be a large door that we can enter straight and strong. The treasures of eternity are within such a door.

Joan Phillips led the introduction to our study book on "Pluralism." This session dealt with Racism which was equated to prejudice plus power. There are two kinds of racism—"individual" and "institutional." Examples of each in our society were described.

The Bible teaches that we are only stewards caring for a world that belongs to God. The world does not belong to any particular race and none has supremacy in the eyes of God. All human kind are members of one family and racism is a sin that divides that family. We must love one another through Christ.

The president thanked all who participated in the evening's program and also those who took part in the World Day of Prayer held at Knox Church on March 5th, and the luncheon served by our group following the service on Sunday, March 7th.

The meeting closed with the singing of What Grace, O Lord, and Beauty and the Mizpah benediction.

Refreshments and a social time followed.
