Delmar knows his fishing trips

WHEN LONG-TIME member Delmar Coulson, of the Halton Sportsman's Club, makes up his mind to organize an extra-ordinary fishing trip—he does it well.

About 18 months ago, some members of the club were discussing a trip to Jackson's Lodge in northern Saskatchewan. That was all Delmar needed and he was off and organizing. It was decided we would fill the lodge with club members, friends from other clubs and their friends.

Those who took the trip were Ron, Don and Joe Marshall, Rick Mairs, Jim Coulson of Lowville, Arn Coulson, Delmar Coulson Sr. and his son Delmar, Alex Penick, Brent Barowitz, Ramsey Wenzel, Ray Hackey, Fred Bohren, George O'Brien, Ivan Beaulieu, Homer Beaulieu, Gerry Binkley, Sim Harris, Murray Wills, Tim Cox, Frank Andela, Bud Nichols, Harry Bennett, Bob and Dan Allan, Jack Davidson, Dan Pegg, Bill Cummins and Graham Brown.

We gathered at the clubhouse at 6.30 a.m. Thursday June 10. Milton Bus Lines picked us up and drove us to Toronto International Airport. We boarded a CP Air flight and were on our way to Winnipeg.

We stayed in Winnipeg overnight and at 8 a.m. the next day we were aboard another plane and bound for a remote place called Stoney Rapids in northern Saskatchewan.

Float planes picked us up at Stoney Rapids and took us to Jackson's Lodge on Waterbury Lake at about 3.30 p.m.

Luggage was soon stored away in our cabins, we changed our clothing (it was cold up there), we got into a boat and away we went to catch a trout.

It was a beautiful trip, well-organized and the weather was perfect. Some of the boys had a pool and the one who caught the biggest fish took home the winnings.

Ivan Beaulieu started the ball rolling with a 22½ pounder. Then one morning, after fishing for just five minutes, Maurice Coulson caught and landed a 29½ lb. lake trout.

We all thought he had the pool when, on the second-last day, Frank Andela (the playboy and Peck's bad boy of the trip) came up with a 33¼ lb. lake trout—the daddy of them all. To top it all off, Frank caught two 20-pounders and had to throw them back because he had his limit.

Everyone caught fish and we enjoyed a shore dinner nearly every day. Have you ever tried freshly caught lake trout or huge northern pike fried in deep fat for a crew of hungry fishermen? Then add fried potatoes, beans, spaghetti, topped off with canned peaches, pears or pineapple rings.

I assure you it's a meal you would never forget. It was a wonderful experience and a great big thanks to Delmar and club doctor Murray Willis who looked after our 24-hour flu, bleeding eyes, etc.

Dan's Auto Body 2
John's Mobile Truck 0

The highlight of the game was the street running and fine positional play of both teams on a muddy and waterlogged pitch, not suitable for such entertaining soccer. The shooting power of the Auto Body forwards made the difference with a goal in each half from Nancy Giammarco and Tracy Faulkner.

Tara Aquilante for John's Mobile Truck made many superb goal line saves, whilst at the other end Marsha Van Cedar saved a penalty shot to preserve the shutout.

Outstanding efforts for Dan's Auto Body came from Stephanie Aitken, Tanya Primok, Sandra Bauer, Katherine Van Kesteren and Louise Platts.

Five carloads of girls left Milton to travel to Bolton Thursday to take on the first-place team. Only four carloads arrived to start the game but that did not prevent Milton from putting on an excellent game.

In one of the best games played all season, the two teams played superb soccer—tackling well, passing into the open and clearing their own end.

A draw would have been the most meaningful result but such was not to be. Sarah Bate won the game with about two minutes left in the second half with a well placed drive to the corner of the net.

Outstanding performers for Milton were Jennifer White and Kelly Waid in fullback, Mary Spagnolo and Dana Harrison as halfbacks and forwards Lisa Sneyd, Helen Curry, Janet Bascom and Jennifer Bascom.

Milton vows to avenge the defeat when the teams play in Milton tomorrow (Thursday) night.

Bolton 2

Milton Lions Club 1

The highlight of the game was the excellent play by the defensive line and the aggressiveness of the forward line in both halves.

Ball control and passing enabled the Lions to score in the second half.

Goalscorer for the Lions Club was Melanie Hewitson assisted by Natalie Clarke. The only goal for the Lions was set-up perfectly by these two girls.

In goal for the Lions Club was Jeannine Houle.

Milton Lions Club 1

Bolton Bombers 0

A late kick-off delayed the game by some 12 minutes (the Bombers got lost on the way to the field). After many scoring chances by Tiffany Scobie, Lisa Johnston, Beatrice Bauer, Jennifer Guzman and Natalie Clark, the ball finally made its way through the maroon and

blue socks and Melanie Hewitson scored, assisted by Lisa Johnston.

Lisa Eguchi, Carl Meredith, Vikki Learmont and Beth Bradeur played terrific defence for the Lions. Angela Campbell, Tracy Simpson and Jodi Macek kept the Bombers on the move and into Bomber territory.

In goal for the Lions Club was Erin Dall who was very lonely as the action was at the opposite end of the field most of the game.

Mr. Bauer, a linesman for the evening, must be mentioned also, as he kicked off his shoes, rolled up his pant legs and waded into the swamp off to the north side of the field to retrieve the ball more than once.

The Milton teams are certainly very evenly matched this year. Super team work by both Valavaara and the Lions made quite an exciting game.

Scoring for Valavaara were Arlene Brown and Lisa Sneyd with one piece. First time in goal for the Lions was Jodi Macek, who despite her size made some excellent saves. Linda Murphy and Jennifer Bascom, two of Valavaara's players had their best game this time.

Tiffany Scobie, Natalie Clark and Jennifer Guzman couldn't be paid to get that ball in the goal due to the fantastic goalkeeping by Heather Livingston.

The assorted sizes of players on these two teams make the game interesting and exciting for both players and onlookers.

Intermediate titles in tennis decided

Members of the Milton Tennis Club displayed excellent tennis skills as the club held its annual intermediate tournament Saturday at Rotary Park.

In the mixed doubles final, the father-daughter team of Bill Morgan and Tracey Morgan defeated John Edwards and Pam Suzuki in three sets. Hilda Riggo and Michelle Roberts came out on top over Betty Unger and Mary Schafer in the ladies' doubles championship which also went three sets.

Don Aitkenhead teamed with Bill Morgan to defeat Nick Wollaston and John Edwards in an exciting three-set men's doubles final. In a long three-set match for the men's singles' title, Steve Hart turned back a stiff challenge from Bill Morgan to capture the event.

In men's E Division league play Sunday, Milton gained some revenge by turning the tables on Tyandaga by a 52-36 score.

Milton easily dominated Tyandaga in singles. Scores were Rob Branday (11-0), Steve Hart (9-2), Nick Wollaston (7-4) and John Edwards (5-6). Milton and Tyandaga split in the doubles' competition which enabled Milton to gain the overall win.

Major bugs continue to raid their opponents

Rolling along, Milton Ontario Tree Fruit major mosquito soccer reps slipped by Georgetown 1-0 in Peel-Halton soccer league action Thursday at Brian Best Park.

Milton controlled the game from start to finish but encountered difficulty completing their plays around the Georgetown goal.

Coach Andy Kirkwood said he felt his club might have expected a tougher match from Georgetown hence the timidity.

Again, Milton struck early. This time, the club counted just three

minutes into the contest with Raymond Wark scoring the goal. Ian Leid started the play and passed to the right to Patrick Penman. Penman crossed the ball into the middle. Wark trapped the ball just outside the 18-yard box and slipped the ball into the goal past the on-rushing goalie.

Philip Leach picked up the shutout although he wasn't tested very often. Chris Harrison, Neil Garrett, Victor Bija and Wark each had good games.

Lions in Wheatley

For the second time in two weeks, Milton Lions Club bantam baseball reps split two games in a tournament Saturday.

The club participated in a tourney in Wheatley and after edging Blenheim 5-4 in the opener, fell by an 8-2 margin to Tecumseh.

Strong pitching from Danny Langlois helped Lions beat Blenheim. Langlois threw a four-hitter and allowed just two walks while striking out six.

Dan Fargiorgio and

Paul McCutcheon led the Milton batters with one triple each while Bruce Cameron, Sean Davidson, Dave Langlois and Lee Rydall hit one single apiece.

Milton was held to five singles by Tecumseh in the loss. Bill Corradetti, Dave Langlois, Cameron, McCutcheon and Davidson picked up the hits. Darren Widdis and Davidson shared the pitching duties and combined to allow nine hits and four walks while striking out two.
