# Couriers edged 1-0

Good luck and bad luck were the name of the game for the minor mosquito rep team in Thursday's match against Bolton.

The Couriers, in their previous match up against this team had managed a 2-1 win, but this time Bolton would come out a goal ahead. The first half began with Dave Seymour gallantly trying to out-run Bolton's goalie and teammate for the ball, only to end up in a three-man collision with Dave getting the worst end of the deal and shortly afterwards had to be sidelined.

Both teams were equally matched in their previous games. Again, equality seemed to reign as both had several opportunities to score in the half. In the late minutes of the half, Mark Harrison took full control of the ball and rushed in on Bolton's goalie letting go with one of his zingers. Unluckily, it hit the top cross-bar and bounced out instead of in.

# Tandem dominates for 4-0 shutout victory

Milton Tandem Computers minor atom soccer reps travelled to Cedarville Park Georgetown last Tuesday and turned out a fine display of soccer to the tune of 4-0 in Milton's favor.

Mike Cox opened the scoring in the first half by cracking a fine shot home from about six yards out. Cox again picked the ball up about the halfway line, out-ran the Georgetown defence, pulled the goalkeeper out, sidestepped him and blasted his second into the empty net.

Tandem held on with their lead to the half with Glen McBryde, Colin Catherwood, Scot Woods and Kevin Fontana all coming up big on defence. Tandem was looking for their first league win and started the second half just as eager as the first. General Stephen Hodgson took command, as usual, rounding off in great style with a thunderbolt of a shot from about 12 yards out rocketing into the top right-hand corner of the goal with some fine efforts from all. Milton kept pressing on the determination of Duff Sheldon on the left wing and the speed of Ian

Ellis on the right. Georgetown did well to sustain the constant pressure of the re-vitalized Milton squad. Kevin O'Donnell had a tremendous game coming so close to adding to the score at least on three occasions and the tricky footwork of Blair Zachary just a joy to watch.

Late in the game, O'Donnell cracked over a beautiful corner kick, to see Cox run in and blast the ball into the roof of the net for his hat-trick and well deserved it was too. Darnel Vrbanc, in goal for Tandem, lived up to his tremendous potential by making big saves on four or five occasions. He controlled his six-year box with authority and came off with a fine shutout.

Best for Milton were O'Donnell, Cox and Hodgson up front. Zachary, McBryde and Woods in mid-field and Catherwood and Fontana outstanding in defence. This Milton squad can look forward to many league wins in future if they keep up this fine standard of soccer they have been showing in the last few weeks.

After two good efforts the previous week, Milton Haltom Videos major atom soccer reps were up against Guelph in more ways than the fixture. In the first five minutes, it was all Videos. There were rushes down both wings and good shots by Sandy Sharma and Chris Chamberlain. However, Guelph gradually set the pace, and Videos did not react, and completely lost the drive they showed at the start.

Guelph's big centre half scored the first two goals at the seven and 13 minute marks on long high shots. They kept the pressure on Videos with good positional play and superb passing.

At the 25 minute mark, Chris Baillie, who was given the job of shadowing the Guelph centre half, scooped up a loose pass and drove up the middle and laid on a pass to David Altoft, whose super shot was saved by the nimble Guelph goalie.

Guelph scored again just before the end of the half on a neat shot from a corner kick for a half-time score of 3-0.

In the second half, Videos ran out of steam and Guelph scored three more at the seven, 16, and 23 minute marks with the centre half getting his third marker.
