You can be the judge

You can't judge the value of this home by outward appearance.

From the street, you see a tidy, neat bungalow. It is not until you are inside, that one can appreciate all the extras, the custom work, the quality and the spaciousness.

The foyer leads to a formal living room with neutral tones and an eat-in kitchen with plentiful upgraded cupboards. Close by is the dining room finished in brick and stucco featuring archways and iron railings.

An exquisite master bedroom has a sitting area, walkout to a deck and wall to wall cupboards.

On the same level are a mud room, laundry room, huge six piece bathroom, two additional bedrooms and a cheery sun room across the back. From the sun room you can see the giant sized fenced lot.

Walk out and you are on a beautiful cedar deck overlooking the large inground pool.

The lower level includes two large recreation rooms, bathrooms, workshop, cold room, additional kitchen and a fourth bedroom.
