

Jehovah circuit assembly

Milton area residents are invited to attend the two day circuit assembly Sept. 4 and 5 at the Assembly Hall on Highway 7 in Norval.

Wayne Fisher, spokesman for local Jehovah's Witnesses, announced the assembly theme, "Making the Truth Manifest in our lives".

Mr. Fisher commented, "As many need glasses to correct poor eyesight so too humans need God's word to correct impairment of mental and spiritual vision."

He continued, "It is the only reliable guide to follow when it comes to explaining the meaning and purpose of life, giving us a sure hope for the future. Commencing at 10 a.m. Saturday the two-day program will feature discourses and demonstrations involving local residents. According to Mr. Fisher these will highlight the practicality of using Bible truth as a reliable guide in ones life.

Mr. Fisher will deliver the keynote address Sunday at 2 p.m. He will discuss the subject 'How Does the Truth Affect Your Life'. More than 1,200 are expected at the two-day session. Cafeteria facilities are available and noon meals will be served Saturday and Sunday.

AROUND THE HOUSE

with Bill McDonald

Want a pineapple to ripen quickly? Place it in a paper bag along with an apple for a few days. The gases given off by the apple speed the ripening process.

To improve your hot water heater's efficiency, eliminate sediment that builds up at the bottom by draining off several gallons of water every few months.

For fresh lemon juice whenever a recipe calls for same, fill a small ice cube tray with freshly squeezed juice and freeze. Cubes may be stored in a plastic bag in freezer. Good for quick lemonades, too.
