Another season begins

Now that the house league umpire has called his last "Play Ball," now that summer sports have ground to a halt and schools are back you may have noticed that the "Little Red Fire House" downtown on Main St. has started to throb with activity again. Yes, after a well earned summer break! Following a very successful competitive season, The Milton Springers Gymnastics Club has started to operate again. Most gymnasts couldn't really say that they needed to dust off their body suits or even limber-up and flex muscles rusted by inactivity. In fact it seems that when a gymnast goes on holiday, they go to summer camps on even gymnastic camps. No matter whether they are in Cambridge, Muskoka or Quebec it seems that once a gymnast always a gymnast and love of the sport keeps them active all year long. Head coach Janet Campbell will of course not be satisfied with any claims of fitness until her prodigies are back into each one's individual customized fitness and training program.

Competitive Registrations
 Competitive and precompetitive gymnasts try-outs were completed on September 11th. Thirty-four gymnasts met the high standards established by the coaching staff and will constitute the competitive and precompetitive team for the season.

Recreational Registrations
 Will be held for all interested and aspiring gymnasts this Wednesday September 22nd between 6 p.m. to 8 p.m. and Thursday September 23rd between 1 p.m. to 3 p.m. and 6 p.m. to 8 p.m. Full program details appear in the Parks and Recreation brochure or details can be obtained from Barbara Wood (878-6778) on Janet Campbell (878-5030).
