

Venturer capital

First Campbellville Venturer Company raised more than \$300 Sunday through an auction sale held in Campbellville. The money will go towards sending at least two of the four-member company to the World Jamboree in 1983. The company thanks all who donated sale items for the cause. Jim Forbes of Halton Hills Auctioneers and Jack O'Connor, shown here, from the Campbellville Flea Market, handled the duties for the boys.

Knox Church W.M.S. Take up cross and follow Him

The WMS Evening Department of Knox Church met at the home of Mrs. Billie Marshall on Tuesday, October 12th at 8:00 p.m. There were 15 ladies present.

Our hostess, and President, Billie Marshall began with a Call to Worship for Thanksgiving. Gertrude Den Boer led the devotional period using a Thanksgiving Service from our monthly WMS periodical, "Glad Tidings".

The hymn, "Give To Our God Immortal" was sung, followed by responsive reading of Psalm 103. The meditation stressed that "Thanking" is only one part of Thanksgiving and that more thrust should be put into the "Giving" part.

As Christian women in today's world, we have the potential to change many things, if we but "take up the cross and follow Him!"

Lois Schuyler led in our continuing study of Pluralism. The group was divided into four teams, each with a specific Bible text, telling of how Jesus dealt with "Strangers" or foreigners. We examined various headlines that have appeared in Canadian newspapers, dealing with the treatment of people from other countries making their new home in Canada.

We were encouraged through discussion to tell our feelings when we read such things and then to think of how Jesus would handle these situations. Through His love and His acceptance of us all as equals, we have the example which we need to follow in dealing with people who are different than ourselves.

The study session closed with sentence prayers composed by the group.

Following the Business, the hymn "Softly Now The Light of Day" was sung and a prayer closed the meeting.

Refreshments and a social time followed.

I.O.D.E.

Halton Women's Place

The September meeting of the John Milton Chapter of the I.O.D.E. was held at the home of Mrs. E.W. Foster with Regent Mrs. Marie Clements in the chair welcoming members after the summer recess.

It will be the 25th year for bridge and euchre games of 32 tables held twice a month in different homes affording the opportunity of friendship as well as meeting many new residents of Milton.

More than one million dollars is raised and spent annually through the efforts of 15,000 volunteer IODE members across Canada. The major portion of this money is directed to local community work with the remainder going toward National and Provincial I.O.D.E. projects.

Ontario chapters have spent \$150,000 on genetic counselling clinics in Northern Ontario and IODE Fellowships in Clinical Genetics, purchased 40 braille machines for volunteer brailleists, and offers \$6,000 annually in bursaries, and awards in ecology, ballet, art, teaching and library science.

Our guest speaker was Mrs. May Bell who was introduced by Mrs. E. Devlin and thanked by Mrs. F. Thompson. Mrs. Bell gave a very informative talk on Halton Women's Place which is an emergency shelter for abused women and their children and located in Milton with a staff of five members plus two placement students and volunteers. It was opened in October, 1980, and over 300 crisis calls were received over and above the actual intake during the first year with the numbers steadily increasing.

The operating budget for 1982 is \$130,000 with 75 per cent of this covered by Halton Region, and the remainder raised elsewhere. It is on the list of charities to be funded by the United Way.

The next meeting will be held on October 28th with Mrs. F. Thompson as hostess. Any new members would be welcome and if interested, please contact our membership secretary, Mrs. R. Carbert, 878-3691.

Whisper-quiet cleaning

VACUFLO
built-in vacuum cleaning system

- Whisper quiet... with full vacuum power everytime you use it
- More powerful than portables
- No bags to empty, filters to change, tanks to lug

THE SKY'S THE LIMIT!

Right now the Canadian Forces is looking for officer candidates to train as pilots and air navigators. It's a chance for you to serve in the air force, and to earn as you learn a very profitable lifetime skill. If you're medically fit, and have grade 12 in a five-year or advanced program in Math, English, Science and Social Studies, History or Geography, you qualify.

THERE'S NO LIFE LIKE IT THE CANADIAN ARMED FORCES

Canadian Forces Recruiting Centre

I'm interested in a career as a Pilot/Navigator in the Canadian Forces. Please send me information.
