UAW shows its solidarity with Chrysler workers

Oakville's Ford workers will each donate \$20 per month for a total of \$90,000 monthly to the strike fund of Chrysler employees starting in December.

President of Local 707 of the United Auto Workers (UAW) Brian Feil, said union members voted by a huge majority on Sunday to start the program.

The recommendation for the financial support came from General Motors workers first and has been quickly followed by Ford workers in Ontario.

"I Believe Local 1520 in St. Thomas and the Windsor local have voted to support the recommendation," said

Mr. Feil, but he did not know what the total provincial contribution would be.

The \$20 is on top of the

current union dues being paid by UAW members and will be deducted by Ford, according to the agreement.
