## Open House on Heslop Rd.

Century 21-Miller Real Estate Ltd. has a great little brick bungalow on Heslop Rd. which is such a good bargain that they are inviting area residents to come and see for themselves.

Joan Ramsey and Irene Stone of Century 21 will be conducting an open house Saturday from 2 p.m. to 4 p.m. and they say visitors are going to like what they see.

The address is 80 Heslop Rd.

This home is in a mature part of Milton but close to a school and there is a shopping centre close by too.

One of the outstanding features of the home, besides the solid construction, is the very large yard which has been changed by the vendor into a summer spa.

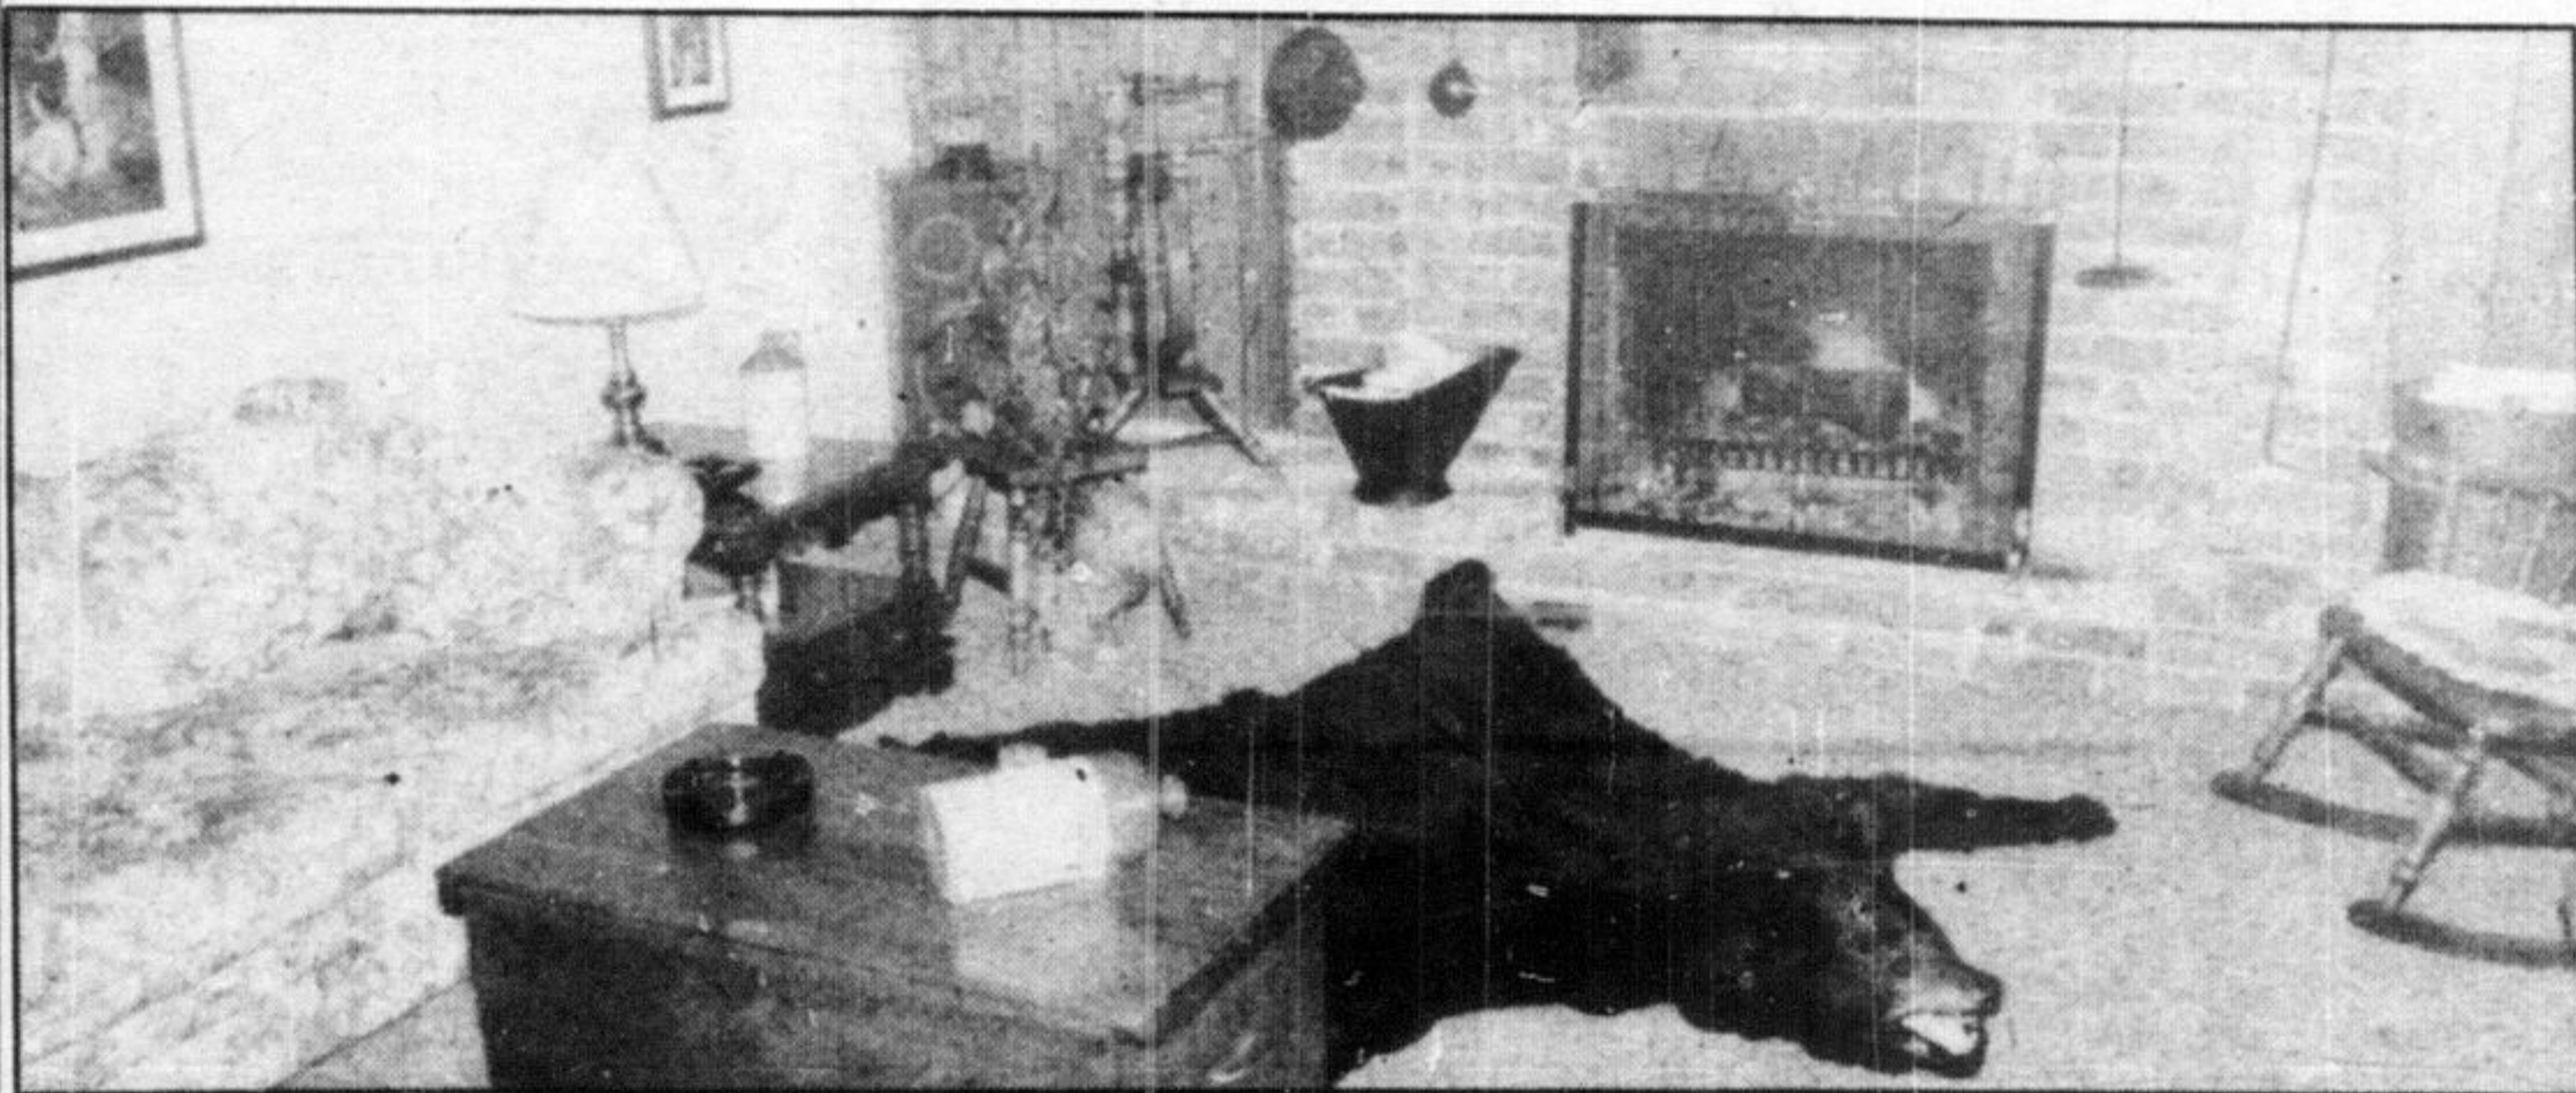

With a full pool, there is custom fencing around the yard and this is all complimented by a pine deck around the pool. For easy egress, there is even a full sliding glass walkout from the dining room.

This is a four-bedroom home with two bedrooms on the main level and two on the lower level.

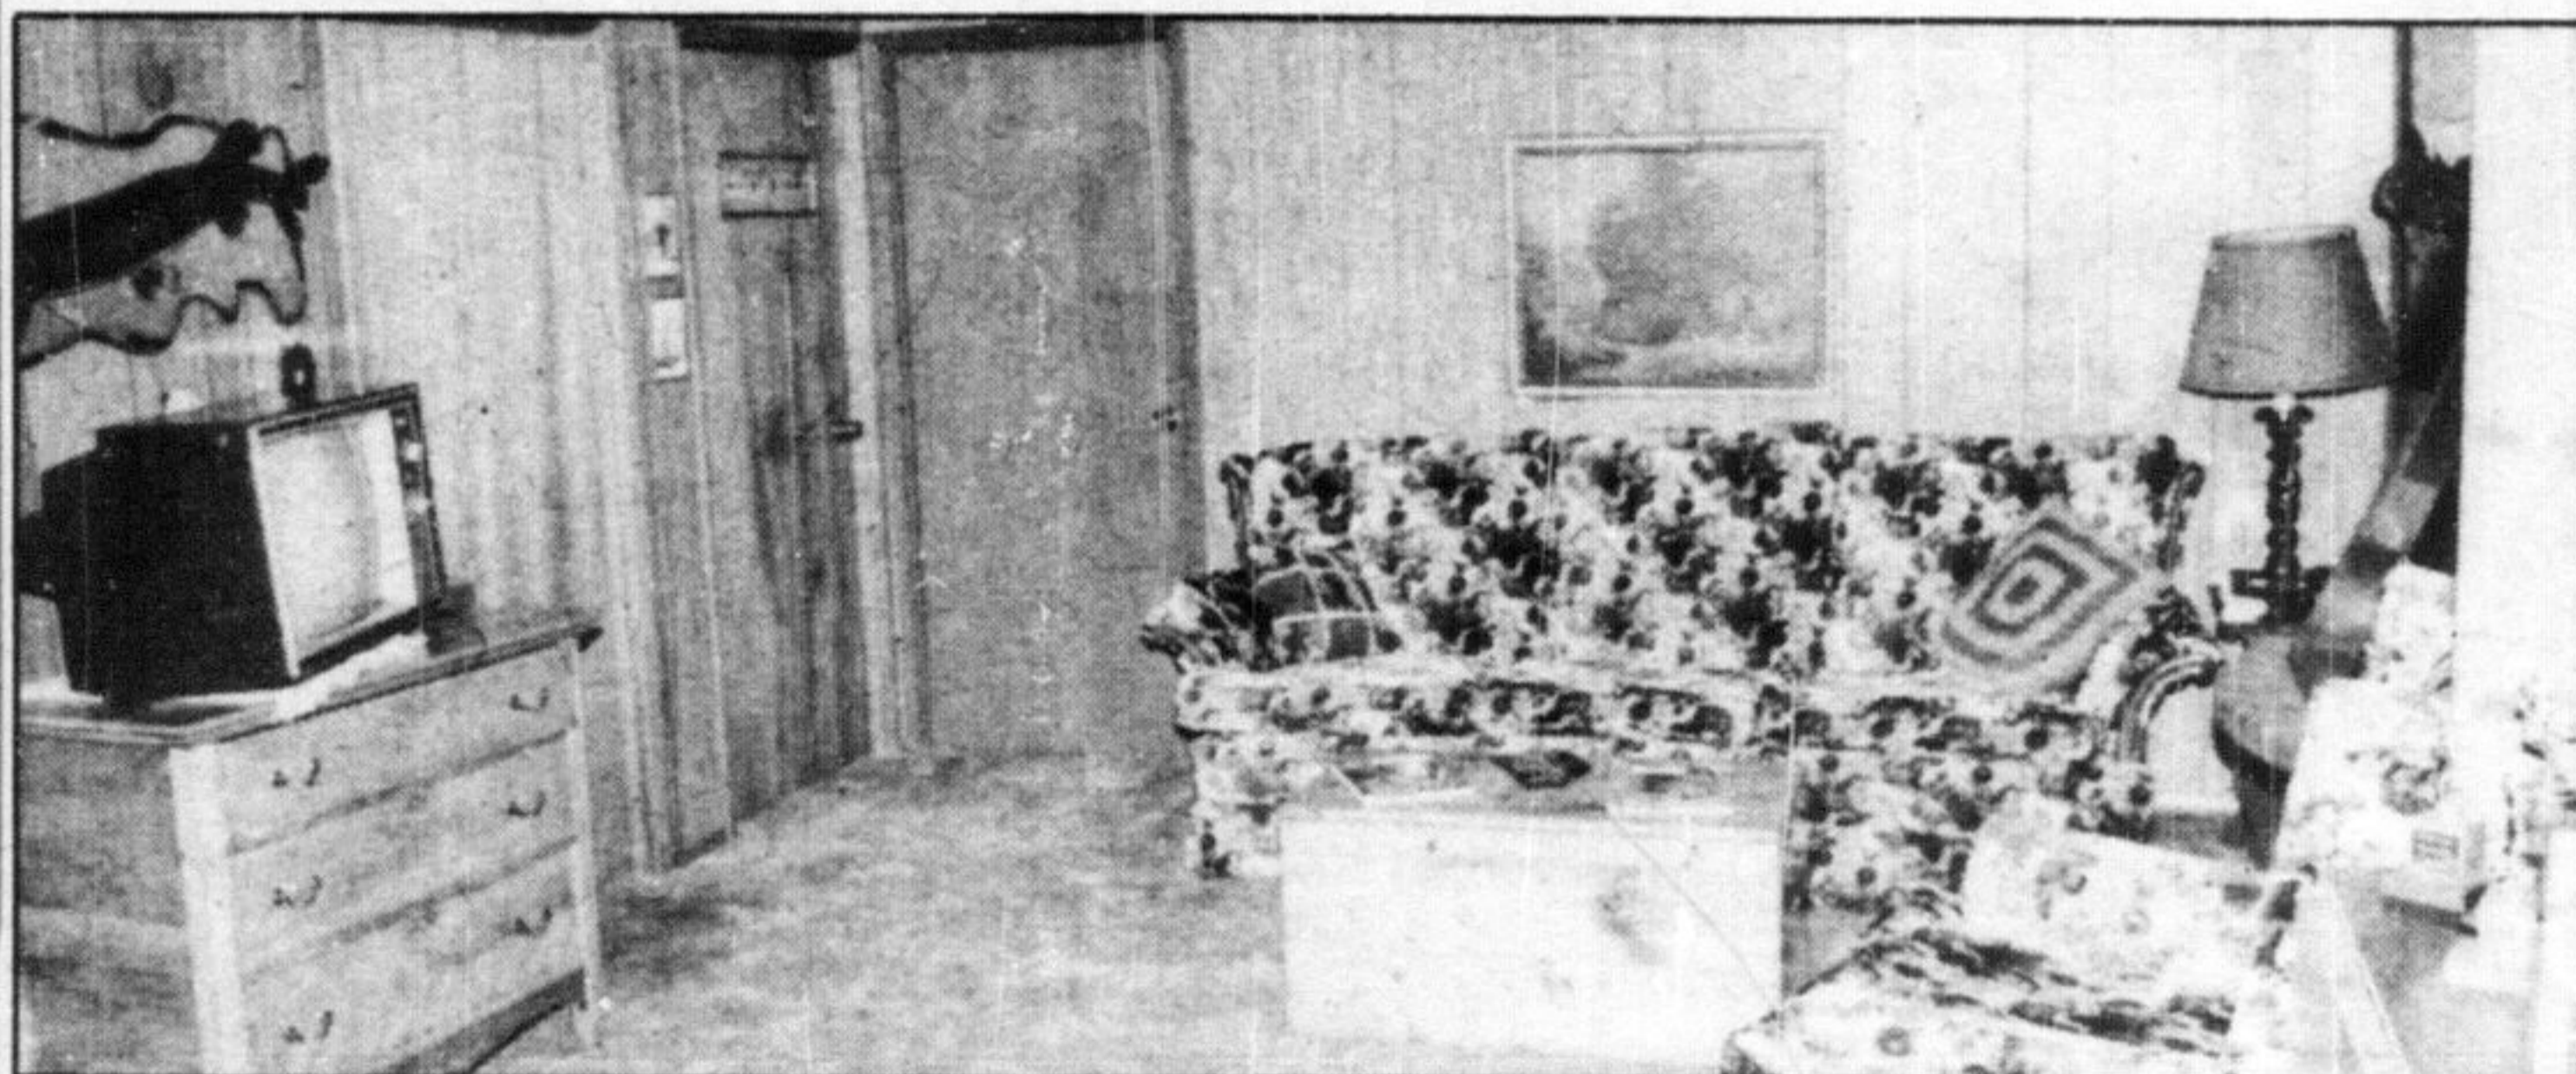

On the lower level is the recreation room which is fully panelled and there is even a bar. Also on this level can be found a laundry room. Wall-to-wall carpeting is used in the recreation room to make it more comfortable.

Should someone wishing to view the home not be able to visit on Saturday, Joan Ramsey and/or Irene Stone can be reached by telephoning Century 21-Miller at 878-8495.
