

Residents at Halton Centennial Manor were treated to a visit by members of Oakville Kennel Club and their dogs Sunday. The first-time experience was such a success, more may be planned.

Music at Fifth Wheel

The Robinson Family from Gerogetown, Kentucky will headline the 1983 Country Round-Up stage shows and truck displays at the Fifth Wheel Truck Stops' five Ontario locations this August.

Famous across USA for their annual truck stop entertainment tours, the nomadic Robinsons will be making their first Canadian appearances at the Fifth Wheel shows running from August 16 to 24. Dates are Aug. 16 in Dorchester, Aug. 17 Bowmanville, Aug. 18 North Bay, Aug. 19 Cornwall and Aug. 23 and 24 in Milton.

Specializing in country-western, folk, bluegrass and gospel music, The Robinson Family has spent the last few years travelling the length and breadth of the States entertaining at truck stops, trucking conventions, state fairs and armed forces bases. They live in a Greyhound bus and perform from a portable stage which opens up from a 42 foot tractor trailer—complete with generator, lights, PA system and dressing rooms.

All eight members of the Robinson Family (father Jackie, mother Mary Ruth, one son, four daughters and a son-in-law) sing and play a variety of musical instruments. They will be doing two 90-minute shows each day of the Country Round-Up, starting at 4 and 6.30 p.m.

"This show is our annual free treat for the truckers—our number one customers," reports Roy Downs, Fifth Wheel's public relations officer and Country Round-Up co-ordinator. "This year Harper Detroit Diesel Limited is co-sponsoring the show and Pat Hare and the staff at Harper are organizing a display of new trucks for each show, featuring Detroit Diesel engines and Allison transmissions."

Displays are open noon to 9 p.m. daily.

The menu for the Round-Up features barbecued beefburgers plus a cold drink for \$2. They'll be cooked on a huge portable

barbecue and served in a tent. Fifth Wheel will also be introducing its "Wheel of Fortune" game at the Round Up—it offers prizes valued at up to \$30 for a \$5 investment. Several free draws will be held for truckers and there will be clowns and entertainment throughout the day.

"The Robinsons specialize in clap-your-hands, sing-along music so we're inviting everyone to just come and have a really good time," said the co-ordinator.

Further information is available at the Fifth Wheel.

Marion Jarvis has completed a two year course in retail management at Sheridan College. Harold and Mary Jarvis attended their daughter's graduation exercises June 10.
