Elsley Guardian Drugs 1
Rollag Manufacturing 1

A last-minute goal by Elsley's Steven Logan tied the game and league standings for first place in a close match between Rollag & Elsley.

Rollag opened the scoring early on a goal by the always alert Jason McCall and the game then went into a tight see-saw battle.

Rollag's defence of Rory Sneyd and Chris Routstone assisted by Derek Eye at midfield held Elsley scoreless for 48 minutes. At the other end, Elsley's David Moore, Brad Bagley and Brent Pickett were giving good support to goalkeeper John Kret to nullify the efforts of Anthony Rosiello and Derek Mitchell.

The tie breaker, scheduled for this Thursday promises to be another exciting game.

Selecta Footwear 1
Bruker Canada 0

One of the best games seen this season was played last Monday at

Laurier. Every blade of grass must have been touched either by ball or players.

Both teams attacked from the start headed by Daniel Savage for Bruker and Brad Burns for Selecta.

The deadlock was finally broken late in the first period with Selecta scoring the only goal of the game.

The tussle continued in the second period with both midfields battling for supremacy. Sean Boyle and Michael Gordon for Selecta and Sam Smith and Ryan Moore for Bruker.

With 10 minutes remaining, Bruker pushed players forward to try and grab the equalizer. This put pressure on the Selecta defence. Marshalled by Stuart Johnson and Ted Falk, the pair constantly cut out and cleared any ball going forward.

Goal scorer for Selecta was Brad Burns. In goal for Selecta was Kevin Coulter.

K.M. Mechanical 2
Selecta Footwear 0

K.M. Mechanical showed the reasons they are atom division champions.

Giving a fine performance against a Selecta Team who had spirit but not the skill to match. K.M. blanked their opponents.

Only a stubborn resistance by the Selecta defence kept the score down, especially goalkeeper Craig Jones.

Two goals in the first period of the game was enough to secure the points for K.M. Mechanical. Although Selecta made some scoring chances in the second period, K.M. Mechanical ran out worthy winners.

Goal scorers for K.M. Mechanical were Trevor Houghton and Kristian Curran.

Halton Pool 'n' Patio 3
Tonner Signs 0

In what is best described as a total team effort, Halton Pools were decisive victors over Tonner.

The Halton Pools' defensive corp was especially sharp and thwarted the Tonner offensive efforts. Barry Jivcoff, Matt Herder and Kevin Cargill deserve special mention for Halton Pools. The Tonner defence received strong efforts from Mark Jarvis and the forward line was led by Paul Ouellette.

Paul Cannataro paced Halton Pools with two goals while Ryan Graham added a single. Althea Horton not severely tested, Sean Graham and Eric Devine were sharp when called upon and shared the shutout in the Pools' goal.

Rockwell skates to Geriatric title

Going through the tournament without a blemish, Rockwell captured the title at the sixth annual Milton Geriatrics Oldtimers Hockey Tourney at Milton Memorial Arena on the weekend.

Rockwell enjoyed a perfect 4-0 record, a mark attained by no other team, to take home the silverware. The team was awarded the Canadian Tire trophy.

In other awards, George Prior, of Milton Geriatrics, was named the most valuable player. Although George played well with Geriatrics, he also filled in for three other teams on five occasions easily making him the most valuable to the tourney. Prior played a total of nine games, more than half, over the weekend.

The Charles Hotel trophy, given to the team which best exemplifies the ideals of oldtimer hockey, was given to Currie & Small. Captains Dunc Currie and Bill McKeown were seen as instrumental in picking up the award.

The best team in the tourney, as selected by a distinguished panel, was Great Skate Place with captain Al Champagne humbly accepting the Milton Geriatric Trophy.

The oldest player in the tourney was Ken Knight, a Milton District High School teacher, who played with Rockwell.

The most improved player was judged to be Dr. Rick Edwards of Milton Geriatrics. The most sportsmanlike award went to John

Hall, of Century 21, who in Stan Mikita fashion, completed every game he started without incurring a suspension or ejection.

The tournament was run by Ken Bradley,

of Milton Geriatrics, and featured seven Milton teams and one recreational club from Oakville. In all, 16 games were played with each club suiting up for four games.

A-Ball titles go on the line

With T-Ball championship day behind, we find ourselves with one more wrap-up day to go providing the weather holds for one more week.

This Saturday, the A-Ball divisions (tyke, peewee and bantam) will battle all day long to see which clubs will be there for the final game at 4:30 p.m. at Rotary Park.

For the first time, all fields will have at least one home-run fence available for the sluggers as the lighted diamond will be fenced for bantam play. This will give the tykes a chance at a home run in left field and the peewees, who play at the pool diamond, a chance in right centre.

The fences will also help control the anticipated crowds who swell onto the playing field.

All eliminated teams in the three A-Ball divisions, including those teams playing the 9 a.m. Saturday, will be presented with their crests and pictures at 10:30 a.m. along with players with all respective rep teams.
