October meeting

The regular monthly meeting of the John Milton Chapter of the IODE was held at the home of Mrs. G.F. Thompson, with Regent, Mrs. E.B. Clements in the chair.

Minutes of last meeting were read and adopted. Treasurer's report and Committee reports given.

Following through with our interest in Education and with a new project we have taken on in Labrador, our Education Secretary, Mrs. D. Martin, had a busy month, attending Commencements, new school openings, etc.

Regarding our "adopted" school-class in Labrador, this is in the preliminary stages, and gaining momentum to get it in full swing by Christmas. We have already heard from the teacher who advises us that ours is... a Grade 1 class of

children, aged seven to nine. The name of school is Nukum Mani Shan School, Davis Inlet, Labrador.

Our Regent and Standard-bearer will be placing the IODE wreath at the Milton cenetoph ceremonies on Sunday, November 13th. Next meeting (our Christmas Meeting) will be held Thursday, Nov. 24, 8 p.m. at home of Mrs. D. Martin.

Over the top

The 1983 Milton Arthritis Society goal of \$8,000 has been topped.

Campaign chairman, Audrea Lear-Costigan said "I am very pleased with the results and would like to thank all the donors and all the volunteer workers who helped us achieve our goal."

She said the 125 volunteer captains and canvassers covered the residential, commercial and rural areas of Milton in collecting the more than \$8,000.

Mrs. Lear-Costigan also gave praise to the Lions Club of Milton which made a \$725 donation to the campaign Monday night.

She cited the one-man bicycle ride of Ian Jarvis, of Laurier Ave., who raised \$225 by pledges.

She also said the aid of Elsley Pharmacy, Fifth Wheel Truck Stops, Consumers Glass and Rockwell International with advertising sponsorship was appreciated.

The final event in the 1983 Arthritis Society campaign is a fashion show and luncheon Nov. 19 in St. Paul's Church.

RICK BLOCK says:
Home Improvements Don't Cost Money They Save Money

Let's Talk About Siding
There are three main reasons that people consider applying siding on their homes.

1. To cut heat cost by installing rigid insulation behind the siding.
2. To eliminate painting and exterior maintenance.
3. To increase the re-sale value of their homes.
