## A trip through Milton's Past

Knox Presbyterian Church was built in this classic design in 1890. Earlier Presbyterian Churches had been located on Main St. and Martin St., the first in 1846. An addition at the rear of this building dates from 1894.

## What's New Downtown

Susan Cottrell-Raby

### NANTYGLO WOOL SHOP

15 Martin St., Unit AM8 • 876-0212

To knit or not to knit? There's no question for veteran knitter and new store owner Susan Cottrell-Raby. She is the owner of Downtown Milton's newest knitting shop called "Nantyglo Wool Shop" located in Carriage Square. Susan named her shop after the village in Wales where her mother was born. Susan is a Milton resident, mother of four and grandmother of two.

Nantyglo carries a variety of knitting supplies including: wool, wool blends, synthetics, cotton and LOPI wool at Nantyglo for \$6.50/100 grams. A real bargain! Susan also carries Aran yarn which is available in many colours. (400g ball for \$24.95). Susan suggests a lady's sweater can be made out of 2-3 balls. To the delight of local knitters, they can find Coats, Patons and Sidar yarns as well as 379 colours of DMC floss; all at Nantyglo. Nantyglo is a member of the Knitting Guild of Canada. Susan will offer classes this winter, and all you have to do is call to sign up.

**Susan's Knitting Tip:** People don't have to be afraid to wash wool. However, they should be careful. Always wash and rinse wool in water that is the same temperature. Then, roll it in a towel, stamp out all of your frustrations on it and lay it flat to dry.

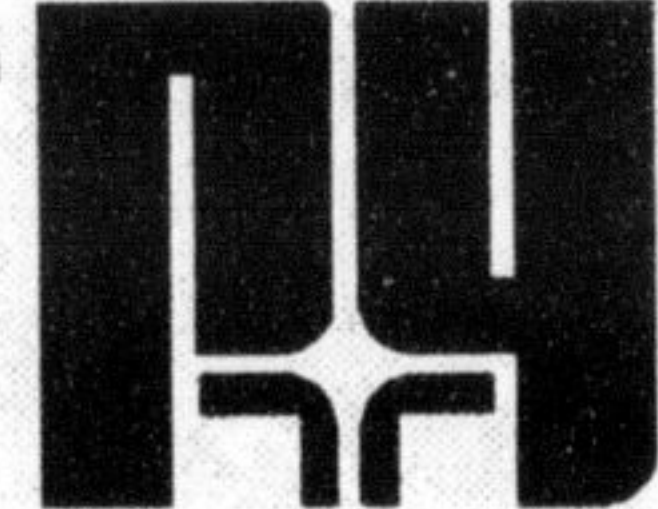

Hurry in and experience this new addition to Downtown Milton and Susan asks everyone to "Practice safe knitting, and look before you sit!"

## Young Drivers helps parents say yes to drivers' licences.

**W**ant to go for your licence?  
Trying to persuade your folks?  
Why not bring them to a free parent-teen co-driver session at Young Drivers of Canada?

(Or call us for a free video brochure!)

We can show Mom and Dad that with YD-s famous risk perception, emergency maneuvers

and collision avoidance training, you'll be able to handle the responsibility of a licence.

After all, we've already trained over half a million people to drive as if their lives depended on it.

Just call Young Drivers, and say the word. We'll reserve your seats.

And maybe they'll let us put you on the road!
