More construction tools stolen from High Point site

Tools have again been stolen from Milton-area sites, and Crime Stoppers wants to help drill a hole in the activity.

At 5:30 p.m. Tuesday, May 13, staff closed the construction site at 2700 High Point Dr. When they returned at 7:30 p.m. the following morning, they found two trailers had been broken into and tools of their trades had been stolen.

Westhoek Construction owns one trailer. It lost a cutting torch kit, a laser level and assorted hand tools valued at \$1,700.

Mikal Construction was the other victim. That company had a Stihl cement saw, a Dewalt skill saw and two water pumps stolen. Their estimated loss was more than \$3,000.

Help Crime Stoppers by providing the names of possible suspects. If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

Crime Stoppers OF HALTON

You need not give your name and your information will be treated with complete anonymity. Crime Stoppers does not subscribe to call display.

The board of directors raises the money, decides on the amount of rewards, and actually pays the rewards. Crime Stoppers is incorporated as a charitable organization.
