A few reminders for parents

An enjoyable soccer season requires your assistance!

Please do not hesitate to approach your child's coach and offer to help in any of the following areas: assistant coach, team manager, orange or refreshment organizer, car pooling and game report writing. Your help will be greatly appreciated!

Please remember to bring the players to the game or practice 15 minutes before start time. This allows the coach and the parent assistant to fill in team lists and arrange starting line-ups.

Please encourage your children to be reliable and committed to their team by doing their best to make most of their games and practices. During the summer months, we realize that you may be away on vacation. Please inform your coach if you cannot attend a game.

And last but not least, let's remember to support our referees!! They are volunteers, some for their first season, and are doing the best they can. Without our referees and coaches, we cannot play the game!
