Novice Mavericks master Orangeville

Orangeville may dominate Jr. A lacrosse, but it was the Milton Mavericks who reigned supreme in novice level play last Thursday at Tonelli Sports Centre.

Holding the opposition to a single goal in the first and final frames, Milton doubled the Northmen 8-4 for their third victory this season.

They currently enjoy a 3-1-2 record.

Elgin Reid kick-started the offensive effort with a pair of first-period goals, while Chris Flemington took over for the balance of the contest and turned a hat-trick. Matt Chuchmach tallied twice and Robbie Hunt contributed a single. Drawing two assists was Chris Pedulla, with Chuchmach, Reid, Scott Collard and Matt Lenardon counting one helper a piece.

Goaltender Nate Grenke also recorded an assist and as usual provided sound cage work — particularly in the third period during Orangeville's comeback efforts. His teammates took just two penalties and were beaten on the second.

Orangeville's key sniper on the night was Andrew Morris, who scored in the second and third. Matt McNutt added a goal and an assist.

The Mavericks will be part of this weekend's Brampton Tournament, which should be a good warm-up for their own Milton showcase next weekend.

At Woodbine, Flamboro

Cam Fella goes on tour

• from SUPER on page 25

1982 and 1983. Longtime racing fans perhaps best remember him as the pacer who won 28 consecutive races at four — unheard of at the time and equally so today.

"They were all good times that year, week after week was great," recalled Crowe. "It's hard to say if he'll be best remembered as 'The Pacing Machine' or 'The Siring King'. I think it'll be a little of both, but having sat behind him for so many years it's the racing I remember most fondly."

"He had so much heart and desire, and knew he was a superstar."

Ontario racing fans can see Cam Fella at Woodbine Raceway next Saturday, June 14 and at Flamboro Downs Saturday, June 21.
