

# Cops to lose their mops for good cause

• from FUZZ on page 3

Edmonton with a \$500 goal. It raised \$12,000 in 11 months.

By 1996, more than 500 police officers in Alberta (including females) shaved their heads. To date more than \$450,000 has been raised through

the campaign.

Constable Mulholland first heard of the campaign through reading the Canadian Police Association Magazine a few months ago. Since then he has been working quietly behind the scenes organizing Halton's campaign. The officer

used to work in Milton.

Donations for Cops for Cancer can be made at any of the local police stations in Halton, or at the Halton Regional Police Headquarters on Bronte Road.

Milton's new police station is on Childs Drive.

## Crime Stoppers OF HALTON

### Cops think burglaries connected

Detectives believe two burglaries at homes in northwest Milton are related and Crime Stoppers wants to know who was involved.

On Monday, June 2 between noon and 3:20 p.m., two homes were entered through unlocked rear doors. At both the home on No. 10 Sideroad near First Line West and the house on Fourth Line West near No. 15 Sideroad, rooms were ransacked as the thieves removed computer equipment, entertainment systems and jewelry.

The preliminary estimate for the value of the property stolen from both locations totals more than \$10,000.

If you happened to notice anything suspicious in the area that day or since, of if you think you might know who was involved, Crime Stoppers would appreciate your call.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

You need not give your name and your information will be treated with complete anonymity. Crime Stoppers does not subscribe to call display.

Call 1-800-222-TIPS or 825-TIPS. *Crime Stoppers of Halton is operated by a board of directors made up of 18 civilians from all areas of Halton Region. The reward fund results from the financial support of business, industry, services clubs and private citizens.*

### Fundraiser at Pineland

The Halton Region Conservation Authority is hosting a fundraising dinner — "Make Hay for Conservation" — at Pineland Farm in Hornby Friday, June 27.

In addition to a barbecue dinner, the evening will include numerous raffles as well as a live and silent auction.

Proceeds from the event will be used to renovate and expand the R. Ross Craig Visitor Centre at Mountsberg Conservation Area.

Tickets are \$50 per person and are available at the HRCA office at 2596 Britannia Road in Burlington, or by calling (905) 336-1158.

**THE WAIT IS OVER.** The first 36 kilometres of the 407/ETR Express Toll Route, from Highway 404 in Markham to Highway 410 in Brampton, are open.

The 407/ETR will save you time and stress. For pennies per kilometre, you'll zip across town. No toll booths will hold you up. No holdups will slow you down.

And for a limited time, you can test drive North America's first all-electronic toll highway free. No charge. Except the charge you'll get out of driving it.

Zip across town on the ETR. Is it really non-stop? Will it save you time? Find out for yourself.

The ETR is possible thanks to a small electronic transmitter called a transponder. Installed behind the rear view mirror, the transponder tells the highway's overhead antennae the times and points of entry and exit. The system bills you monthly.\*

But you don't need a transponder for the test. If you already have one, install it now and see how it works. No charge. And you could win a daily prize or a grand prize.

To order a transponder or find out how it can save you time and money, call **1-888-407-0407** or for local calls, **905-264 5330**, or visit our website on the internet at **www.407etr.com**.

\*If you don't have a transponder, a licence plate recognition system captures a video image of your plate and bills the registered plate owner the per kilometre toll charge plus an extra \$1 toll per trip to cover additional processing costs. (But not during the test drive period.)
