## Police Blotter

A young robber fled on foot with cash in hand in an early morning hold-up at Petro Canada on Ontario Street at Derry Road Tuesday.

The culprit entered the kiosk at 3:50 a.m. and demanded money from the lone clerk, said Acting Det. Sgt. Doug Ford.

He was last seen running toward Pizza Hut. No threat was made with a weapon and no weapon was seen, police said.

The robber is described as in his late teens with brown hair.

### Two males seen

A No. 15 Sideroad resident didn't realize what was going on when two males broke into a neighbour's house Monday.

Acting Det. Sgt. Doug Ford said a man repairing farm equipment on his property first noticed two males in bright-coloured tank tops and shorts knocking on his door and a gold-coloured Oldsmobile in the driveway at about 10:30 a.m.

The witness said the

strangers, after receiving no answer, proceeded to his neighbour's house and knocked on the door. Then he heard a loud bang.

Busy at work, however, the man didn't know something fishy was happening.

The residents returned home and found their front door kicked open and property missing. Stolen were jewelry, a stereo and camera.

The thieves were of medium height and build, police said.

### Thieves smash alarm

A Twiss Road couple found their home ransacked upon returning home from a short trip Tuesday.

The culprits forced open a rear door and smashed the audible alarm system into pieces.

The house was ransacked and a total of about \$5,000 worth of electronic equipment was stolen.
