I am pleased to invite you to join us as we celebrate the grand opening of your new Cashway Building Centre 700 Main St. East, Milton.

We at Cashway are committed to providing you our customers with quality products at competitive prices and most importantly the best possible service.

I know you'll be pleasantly surprised with the fresh new look of the store as well as the improved pricing and product selection.

In our changes we have added a new centre aisle sales desk and a separate contractor desk both of which have experts to assist you with your project large or small.

Our staff, many who are familiar faces are very proud of their new store and are anxious to be your Project Partner.

Once again, on behalf of all of us at your new Cashway Building Centre, please join us for the celebration and added excitement on Saturday, June 21, 1997.

Bring the whole family, we'll have helium balloons, giveaways, face painting, refreshments and a special charity barbeque with all proceeds going to Deborah's Home.

We look forward to being your Project Partner and most importantly I look forward to meeting you personally.
