## A trip through Milton's Past

Carriage Square, a 1986 development occupies land which was central to Milton's beginnings. The town's first private hospital, operated by Dr. C. K.

Stevenson from 1943 to 1959 was located near this site as was the town hydro generating station.

### MOONLIGHT MAGIC, SUMMER FESTIVAL STARTS MILTON'S SUMMER OFF ON A HIGH NOTE

*The 1997 Moonlight Magic Summer Festival brought out the largest crowd yet. The downtown core was filled with children's games & rides, outdoor patios and BBQ's, two stages which included rock band Alabaster and a huge draw for baby boomers was our own Elvis and the Tennessee Valley Band. The music went on until well after midnight. It was a great time for all. At first it seemed all of this was going to be cancelled due to bad weather, but the luck went our way and the sun came out just in time to call everyone back and say "It's On!"*

*A big thank you goes out to all the Downtown Businesses who generously sponsor this event each year with great sidewalk sales, fun and entertainment. What more could you ask for? A special thank you to all the hard working volunteers who helped to make this event a success.*

*Finally leaving the best to the last, a heartfelt thanks to all those who attended our festival, without you it wouldn't happen. We hope you enjoyed it, see you*

## Young Drivers helps parents say yes to drivers' licences.

**W**ant to go for your licence? Trying to persuade your folks? Why not bring them to a free parent-teen co-driver session at Young Drivers of Canada?

(Or call us for a free video brochure!)

We can show Mom and Dad that with YD-s famous risk perception, emergency maneuvers

and collision avoidance training, you'll be able to handle the responsibility of a licence.

After all, we've already trained over half a million people to drive as if their lives depended on it.

Just call Young Drivers, and say the word. We'll reserve your seats.

And maybe they'll let us put you on the road!
