#### HOSPITAL ANNUAL MEETING — RECOGNIZING OUR ACCOMPLISHMENTS AND THE PEOPLE WHO MAKE IT HAPPEN!

Last week, we held our Thirty Seventh Annual Meeting of the Milton District Hospital Corporation. Highlights of the evening included:

- Recognizing the contributions of 55 long service employees and physicians - who together represent 565 years of dedicated, caring service to our patients.

Special congratulations were offered to Dr. Ivan Hunter for his 30 years of service on our Medical Staff and to Margot Johnson, for a quarter century of service on our staff.

Dr. Ivan Hunter receives his 30 year pin from Board Chair, Norm Flemington.

Margot Johnson 25 years of service to M.D.H.

- Receiving a cheque from our Hospital Auxiliary Past President, Joan Griffiths, in the amount of \$53,000. This generous donation completes the Auxiliary pledge that enabled MDH to purchase its new colour doppler ultrasound machine.
- Four current board members were re-elected to three year terms — Charles Bartliff, Sheldon Wolfson, Eleanor Adam and Doug Hopkins. Grace Hildebrand joins our Board as our Auxiliary's representative replacing Iris Wilchinski who served for the past two years. Iris's input and support will be missed.

Grace Hildebrand, Auxiliary representative to the Hospital's Board of Directors and Iris Wilchinski, MDH Auxiliary President.

MDH completed the 1996/97 financial year in good shape. Despite funding reductions from the Province, we balanced our budget and maintained our patient services.
