Trailer, wood gone

Someone took \$40,000 worth of lumber from a lot in east Milton. Crime Stoppers wants to know where it went and who took it.

At noon on Saturday, June 21, a flat-bed trailer fully loaded with lumber was parked at the Truck Stop on Trafalgar Road near Hwy. 401.

When the driver parked the trailer, a locking device was attached to the fifth wheel pin. Upon his return at nine the following morning, the trailer and its load were both missing.

The five-axle trailer was a navy blue Tita flat-bed with DN Campbell Trucking written on the front headboard. It was loaded with 28 lifts (bundles) of 1 x 6, 2 x 4, and 2 x 6 lumber.

The combined value of the trailer and the wood was estimated at \$75,000.

If you happened to see something at the Truck Stop that might help, or if you have heard who might have been involved, Crime Stoppers wants to hear from you.

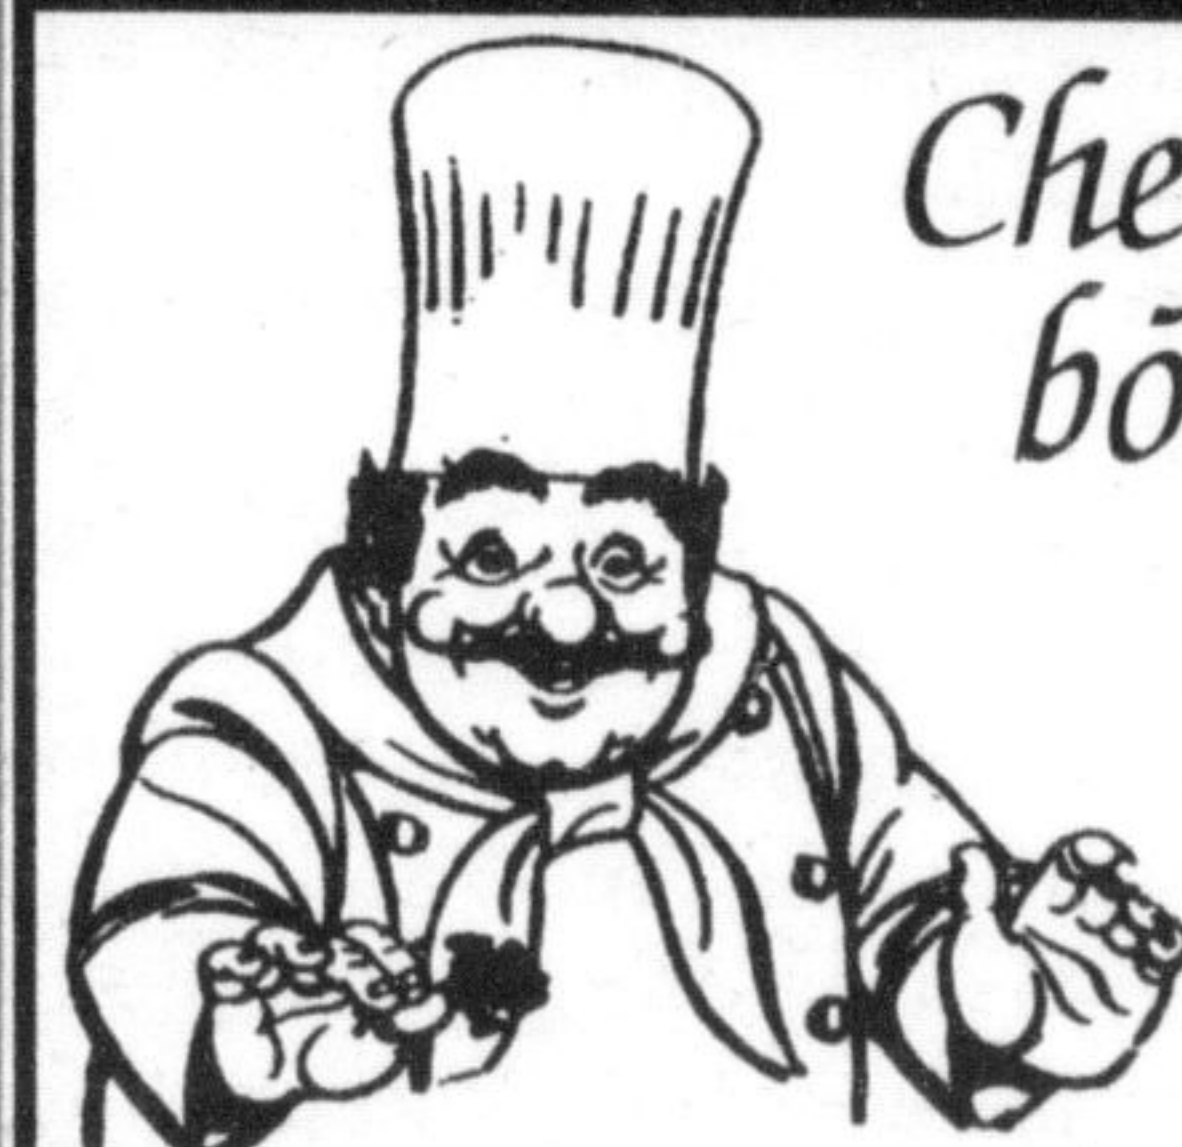

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

You need not give your name and your information will be treated with complete anonymity.
