**EARLY BOOKINGS
SAVE \$\$\$**

YOU HAVE THE BEST CHOICE; YOU GET TO LOOK FORWARD TO IT LONGER; YOU ARE IN CONTROL OF YOUR VENUE - are just some of the benefits of booking well-in-advance of your chosen vacation date. But the more underlying factor which obsesses most everyone when it comes to booking travel is - you can save actual \$\$\$!

REGENT HOLIDAYS, in announcing its new WINTER PRODUCT LINE this week and noting the past success of early-booking-savings to you the traveler, have an 'early booking deal' for just about every package they offer, and there are some great offerings!

CARNIVAL CRUISE LINES ARE NOT YOUR 'FUN SHIPS' ANYMORE! Quite a statement, especially when they are the ones to be saying it. But their intent is very valid in that they are attempting to move their image to a more upscale view for the public, but still that they cater to all ages, are not a 'wet T-shirt contest, partying-all-night type of cruise line. CARNIVAL caters to the most number of passengers in the cruise industry (there are some five million 'cruisers' on the seas, catered to by a number of cruise lines and ships of all sizes!) and are a forerunner in the industry. Their announcement of a SMOKE-FREE ENVIRONMENT, no smoking even on deck, on their new ship, the ms PARADISE coming to the market in 1998, is typical of their leadership. (A recent cruise we enjoyed very much, except for the wall of smoke to have to walk through in the hallway when we left the non-smoking dining room on the ship!)

SPEAKING OF SMOKING - the smokers are getting looked after - the CIGAR-SMOKERS, that is - ALLEGRO RESORTS offer an all-inclusive 'Cigar Appassionado' vacation package! The sight is the Caribbean Village Club in Puerto Plata in the Dominican Republic, and includes tours of cigar-making facilities, and of course cigar sampling sessions! Golf is thrown in to the package, along with a complimentary massage and manicure, along with other goodies. It is reported more and more people are taking up cigar smoking, so this offering probably fits the times.

DID YOU KNOW DEPT.: There is a little card you can get and carry with you that is probably your best and most economical way to 'phone home' from abroad. CANADA DIRECT is what it is called - you can get a card at the travel agency, or call 1-800-561-8868 for information.

☆ TRAVEL TIP OF THE WEEK: PASSPORTS are important to have when traveling as we have stressed, and an additional idea is to have a photo-copy of yours to carry with you at all times. Some countries, destinations, cruise ships, ask for your passport to hold while you are their guest - this way you have I.D. on you at all times. It is especially helpful should you lose your original, as well!

Woman charged after fleeing accident scene

Police arrested a woman after an accident victim followed a fleeing hit-and-run driver to a Burnhamthorpe Road home.

The ordeal began Saturday at 5:20 p.m. when a two-car crash occurred at Burnhamthorpe Road and Hwy. 25.

A car hit another vehicle while making a U-turn at the intersection, said Acting Det. Sgt. Marty Power of Halton Regional Police.

The operator of the vehicle that hit the car continued driving and the victim followed, he said.

The fleeing motorist drove to a Burnhamthorpe Road residence and went inside. The victim called police and a woman was arrested.

Charged with impaired driving, driving with over the legal limit of alcohol in her blood and failing to remain at the scene of an accident is a 40-year-old Oakville woman.

Police Blotter

Man assaulted

Police are investigating an assault on a 19-year-old man on Childs Drive.

Three males and a female aged 19 to 20 years old approached the man, who was walking down the street with a friend at 1:50 a.m.

A member of the group asked the man if he was a certain person, and when he replied yes, he punched him in the face, police said.

The victim fell to the ground and was kicked in the ribs by the others.

He didn't know his attackers, police said.

BAHA'I
"BEYOND THE GOLDEN RULE"

All major religions preach the Golden Rule. Doubtless, the source of their teachings is the same, but the effect varies. Sometimes it seems only those with the gold make the rules. Maybe it's time to try the next step. Baha'is believe we should think of others before and more than ourselves.
If we all did this, what a wonderful world it would be.
