## Court report

### Basketball 'Stangs lose at Lord Elgin

The Milton High School basketball teams travelled to Burlington's Lord Elgin High School last Tuesday and were soundly defeated in all three divisions.

The Midgets were under new leadership of coach Camani who recently joined the high school gym staff and recruited several new ball players. They played better than usual but lost 44-20 with Frank Robinson fixing 10 of their points.

Our Junior boys had a fair game but were hindered with fouls, turnovers and sickness. The opposition also had an off day yet they controlled the game and ended the scoring at 63-51. Coach Stevens awarded player of the game honours to Bruce Rankin. Greg Rusk and Horace Saunders also stood out with good play.

Like the Juniors, the Seniors suffered their second straight season loss in a 79-54 whipping. As a whole, the team performed poorly and had no dominant stars.

The game scheduled for Friday night was cancelled and re-dated. There was no available gym space.

**Strong fight**

The Junior and Senior girls volleyball teams went on the road to Georgetown last Monday for their second season game. In Junior action, our girls put up a strong fight but were slowly beaten. Some great play by Jackie Graham and Mary Fox was seen in the losing cause.

For the second week in a row, our Seniors swept three straight games, over the Rebels. Donna Jackson and Debbie Leggo shone for Milton.

On Thursday, Milton hosted the highly disciplined Blake-lock Tabbie teams. The Midgets showed strongly in their best games of the season but even with the fine play from Leticia Nadaim could not hold back the Tabbies. The Juniors worked well as a unit and lead by Jackie Graham, swept the quick Oakvillers three games clean. This was their first win of the season. The last game of the evening left our Seniors with their first loss this year but only after a hard fought battle. It was a good all team effort.
