

# Season over for basketball 'Stangs

by Dave Tracey  
The M.D.H.S. boys' basketball teams ended their 1974-75 season last Wednesday at Oakville's White Oaks. Both Middlets and Seniors left in a flurry, the Juniors just faded away.

This early afternoon triple header started off with the year's closest and longest game yet. Milton held a slight margin for most of the game but with only a few seconds left, the W.O. again held the lead and again White Oaks tied it.

Finally in the second extra period, the Mustangs lost starters Haist, Zulian and McClure on fouls and ultimately, the game. The final score was 45-42. In the scoring department, Frank Robinson and Jeff Mitchell each had 14 points followed by Glenn McClure with 12 and Rob Zulian 10.

The Juniors played their usual poor game and were easily handled by the league's first place team—66-41. Bob Burke had 14 points, Horace Saunders 12 and Greg Rusk 11.

In senior action the Mustangs reversed their Wildcat opposition in a 77-41 trouncing. No statistics were available. Though the Mustangs did not have the great season that was expected and wins were few and far between, it all could not have been possible without the fantastic coaching of Mr. O'Neil, Mr. Camarni, Mr. Stevens and Colin Foster. Maybe next year.

## Letter to sports editor

Dear Sir:  
Milton should be proud of its Junior "B" hockey team. In losing to Streetsville in the first round of the playoffs, they demonstrated what the game is all about, all out effort, desire and dedication. That is something you don't see too often in the pro ranks.

The only unfortunate part to the whole season was the lack of spectator support. With a fine new arena and a team that really puts out, why is it that most of the people attending the games are from the visiting team's town?

Perhaps someone reading this has an answer.

Yours truly,  
Dave Hendrick.

# Optis win, Hespeler out

Optimist goalie Don Pickett held on Sunday afternoon to see his Milton minor pee wee ride to a 4-2 decision over Hespeler. The Opti win eliminated the Cambridge club from further OMHA competition in five games of a best of five series.

Optis advance into the Ontario quarter finals against Collingwood but hope to play a tournament over the weekend.

"I figured we'd win it," commented Opti coach Kent McIntosh. "The Optis played two games Saturday." The Hespeler series was "real tight" though said the coach, going the maximum five games.

Optis Optimistic McIntosh is optimistic about the Collingwood series. "If they keep playing hockey," said McIntosh of his minor pee wees, "we'll win it."

While Pickett was holding the Sunday afternoon goal Grant Eves started the scoring off for the locals late in the second period with a

pass from Richard Griffiths. With 1:19 remaining in the period Barry Reibot connected for an unassisted goal. Hespeler made it 2-1 early in the third period when the Optis couldn't clear it out of their end but Jeff Graham came right back for Milton to boom a centre ice slapshot into the Stretesville goal. Hespeler came back to score their second but Graham responded for the Optis again when he picked the longside corner of the Hespeler twine. Reibot earned a pair of assists on the Graham goal with Chris Caputo and Doug McCann collecting singles.

**Overtime**  
Last Tuesday night in Milton the Optimists blew a 3-1 lead against Hespeler—and after a 10 minute overtime came away with a 4-4 tie.

Griffiths paced the Optis with two goals with singles going to Eves and Stan Fay. Brian Anderchek and Eddie Gaeton earned assists.

In Hespeler Friday evening the locals came up with a first class effort to swamp the

rival greenshirts 3-0. Optis played an aggressive game with outstanding netminding from mighty mite Steve Marshall. Gaeton, Eves and Reibot were the twine bulgers for Milton. Gaeton, Anderchek, Ray, Griffiths and Mark Bradley earned assists.

Optis won three series games, tied one and lost another.
