

Speaker tells of life in Zambia

Hillcrest U.C.W. met Oct. 14 in the fellowship room with 17 ladies present. Mrs. W. Bird, president, opened the meeting with a verse on October. Roll call. "A thought on harvest" was answered. Minutes of the last meeting were read by Mrs. J. Carney. Mrs. H. Robson gave the treasurer's report.

There are some 50th church anniversary spoons for sale.

Hillcrest turkey supper will be Oct. 22. A wedding will be catered Nov. 15, also Federation of Agriculture banquet Dec. 4. Twenty yards of material will be purchased for tea towels. A leadership meeting will be held in Trinity United Church, Guelph on Oct. 16. Mrs. R. Wilson and Mrs. L. Sampson were in charge of the program. Mrs. Wilson read an article on "Thanks". Mrs. F. Wickson was pianist

for hymns. Mrs. L. Sampson read the scripture. Thank offering envelopes were collected.

74 dialects
Miss Joyce Wilson, speaker, was introduced by Mrs. L. Sampson. She was chosen by the United Church as one of the students to take the trip to Zambia. Ninety in all went to various countries. We were told there are 74 dialects in Zambia. English is spoken,

also some French. It is unacceptable to have ladies' legs showing so wrap-around skirts are worn in bright colors. Enchima (cooked cornmeal) is a staple food, a lot of boiled cabbage is eaten and pumpkin is used as a vegetable. Oranges, bananas and paw paws are plentiful. Gardens are grown so lettuce and tomatoes are available. There is not too much meat as there are only

two herds of Holstein cows. Women carry baskets on their heads and babies on their backs, not too many wild animals were seen—one elephant. Tribal dances are held. The natives live in huts and there are a lot of grass fires. In church the men sit on one side, ladies on the other. A box is at the front of the church to put money in with right hand and a curtesy—they consider the left hand unclean. Paintings of natives are on the church walls. Youth rallies are held. The children are very friendly but usually in bare feet and tattered clothes. Papyrus reeds are woven into mats and baskets. If students come to Canada next year from Zambia, their way will have to be paid by the United Church in Canada as money is scarce and not available for this. Mrs. F. Thompson thanked the program committee, speaker and lunch committee Mrs. J. McNabb, Mrs. F. Ruddell and Mrs. Bellbody.

9 o'clock meetings too early for farmer?

It's one thing for a city slicker or town boy to complain about having to be at 9 a.m. meetings, but Oakville Councillor McLean Anderson was taken aback when farmers Fred Nurse and Harold Middlebrook told the Region's Administration Committee that 9 a.m. was a bit early for them to attend a meeting. "Nine o'clock in the morning is early for a farmer?" Anderson said, amazed at what he had heard. "I know I found it came early for me this morning—but a farmer, wow."

At that point Anderson, still amazed, apologized for his own tardiness and explained he had been watching the world series game until late the night before. "When Carlson hit that homer I had another brandy and tumbled

into bed." Middlebrook and Nurse attended the meeting to express opposition to Milton's industrial park north of Highway 401
