**Trio charged in snowmobile theft**

Three Milton men, including 24-year-old twin brothers, have been arrested in connection with the theft of five snowmobiles from Arnold's Lawn and Garden Equipment Centre on Highway 25 at Derry Rd.

A spokesman for Halton Regional Police says the trio have been charged with

possession of stolen property. All three were known to police.

Thieves three weeks ago paid scant attention to guard dogs and a heavy fence when they crashed into the property in a large truck and made off with the machines valued at \$7,000.

The snowmobiles were re-

covered last week at Keswick, near Newmarket. The arrests were made by members of the police force's intelligence unit who work undercover.

Police said one of the three men has also been charged with three counts of breaking and entering, following robberies in the former Oakville sector of Milton.

Heavy cigarette smokers lose up to 10 years of life. The Canadian Cancer Society urges smokers to quit the habit.

**One minor collision**

Main Street was the scene of a minor collision Friday at 11:30 a.m.

Involved in the crash were Carolyn Jubb, Esquensing, and David Crombie, 98 John Street.

According to police estimates there was \$200 damage to the Jubb car and no damage to the Crombie van.

—The new bridge on Martin St. was temporarily opened to traffic on the weekend. As-

phalt will be laid soon and the road should be fully open to traffic in 10 days.
