Service Coordinator
 We are hard driving professionals who are the best because we demand the best from our people. We are in one of the fastest growing industries in the world. We are innovators. We believe in our team because we are nothing without our team! The hours stink, because we are a "now or never" business. Our customers requests can put the pressure on. We specialize in industrial temporary help, dealing with people; employees/ customers - and you have to coordinate both. We offer a reasonable base salary (\$25,000 to start) and of course the BONUS (a percentage of sales paid monthly). The total package is above-average for most who understand personal effort + team work = financial & personal accomplishment.
