Greg Thompson is the owner of **HEALTH=DLS** which opened its doors in May of this year. Business has been a growing success.

HEALTH=DLS specializes in herbs, vitamins, supplements, probiotics and weight loss products.

The body needs proper vitamins and nutrients to maintain itself. These products assist the body in restoring and healing.

HEALTH=DLS has books, pamphlets and brochures on information about these diet, lifestyle and supplements.

Greg is also available to assist his customers with any questions or concerns they may have regarding health and his related products.

HEALTH=DLS also offers nutritional counselling and iris analysis.

Herbal Factors is an excellent product line and is highly recommended by professionals involved with nutrition for maintaining good health and combating illnesses.

All products at **HEALTH=DLS** are quality products and are sold at a modest price.
