Working on the railroad

Manfred Lesser of ML Designs demonstrates how to customize kit model railroad village buildings with paint and a lot of patience during the recent Model Railroad Meet at St. Paul's United Church. This scene took 25 hours of labour to customize.

He jumped a little too soon

A Halton Region Conservation Authority employee was sent to hospital after he jumped out of a dump truck.

The 26-year-old Cambridge man

was riding in the back of the truck at Glen Eden Ski Area as it skidded while stopping in front of a ski chalet October 2 at 2:30 p.m.

The man believed the vehicle

was going to hit the building so he jumped out, police said.

There was no collision, however the worker suffered injuries to his ankles and back.

Puzzled

Peak times, off-peak times, weekends, nights... It's a lot to handle.
But this chart can piece it all together for you:

Toll Rates for Passenger Vehicles (5 tonnes & under)*

Weekdays 5:30 am - 9:30 am 4:00 pm - 7:00 pm	Weekdays 9:30 am - 4:00 pm 7:00 pm - 11:00 pm	Weekends & Holidays 5:30 am - 11:00 pm	Everyday 11:00 pm - 5:30 am
10¢/km	7¢/km	7¢/km	4¢/km

* Multiply rates by 2 for heavy single-unit vehicles, and by 3 for heavy multiple-unit vehicles.
Transponders mandatory for vehicles over 5 tonnes (5,000 kg).

And it costs an extra dollar every time you use the 407 without a transponder.
So get one. It could be that final piece you've been missing. Pick one up at most Driver & Vehicle Issuing Offices within the Greater Toronto Area.
