

## BiWay blitz

Employees and customers alike celebrate the grand opening of Bi Way's new Milton location on Main and Ontario Street last Monday. The outlet's entire staff (at left) welcome back loyal customers, president Richard Blickstead, store manager Kathy Joswic and senior vice president of operations Marc Chouinard (right) display the store's new sign and (bottom right) customer Carla Carinci checks out an array of fashions, including children's wear.

\*All work is performed on site which means faster,  
more effective treatment.

## Stay safe on Halloween

Halloween is fun for kids, but it can also bring dangers.

Halton Regional Police offer the following advice to keep kids safe on October 31.

- Children's Halloween costumes should be bright and made of non-flammable material. Attaching reflective tape or other material to the costume helps make trick-or-treaters more visible. For added safety, have your child carry a lit flashlight.

- Facial make-up is the recommended means of disguise. But if masks are worn, the eye holes should be large enough so that vision is not restricted. Costumes should also be kept short in length to prevent tripping.

- Children should either be accompanied by an adult or travel together in groups while trick-or-treating.

- Make certain your child trick-or-treats on one side of the street and crosses only at corners. Children should be advised to walk on the sidewalks and stay off roads and lawns.

- Halloween treats should be taken home to be inspected by parents before being eaten.

- Trick-or-treating should occur in the early evening hours.

- Instruct children to stand at the door of a home, not to enter it under any circumstances. Children should stay away from homes that are in total darkness.

- Remember that a Block Parent home is a safe place to go when in need of assistance. Parents should reinforce this with their children and make sure they can recognize the Block Parents sign.
